ARMORER'S SLIDE COVER PLATE GHOST ARMORER'S INSTALLATION PLATE GLOCK 42/43 Safety Instruction Guide

Introduction

Thank you for choosing the ARMORER'S SLIDE COVER PLATE GHOST ARMORER'S INSTALLATION PLATE for your Glock 42/43. This product is designed to facilitate easy and errorfree installation of Ghost Rocket 3.5 and Ghost Tactical 5.0 trigger connectors. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU safety regulations.

General Safety Guidelines

- Always ensure that the firearm is unloaded before beginning any installation or maintenance.
- Use the product only as intended and according to the instructions provided.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the slide cover plate for any signs of damage or wear before use.
- Be aware of your surroundings when using tools and handling firearms.
- Report any unsafe conditions or incidents related to the product to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction at all times.
- Wear appropriate safety gear, including eye protection, when working on firearms.
- Do not attempt to modify or alter the slide cover plate in any way.
- Be cautious when handling small parts; they may pose a choking hazard if swallowed.
- If you experience any difficulties during installation, stop and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather all necessary tools for installation.

2. Installation Steps:

- Remove the existing slide cover plate from the Glock 42/43 by gently prying it off with a suitable tool.
- Align the new ARMORER'S SLIDE COVER PLATE with the mounting points on the firearm.
- Press the plate into place until it clicks securely.
- Inspect the installation to ensure that the plate is properly seated and secure.

3. Viewing Engagement:

- The plate is sectioned by onethird to allow visibility of the sear and firing pin engagement during connector installation. Ensure that you can see these components clearly when installing trigger connectors.

4. PostInstallation Check:

- After installation, perform a function check on the firearm to ensure that all components work

correctly.

- If any issues are detected, consult a qualified gunsmith before using the firearm.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic waste.
- Do not dispose of the product in household waste if it contains hazardous materials.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the safety or usage of this product, please refer to the EU contact point for consumer safety inquiries. Always ensure that you have the latest information regarding product recalls or safety notices.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our top priority. Enjoy using your ARMORER'S SLIDE COVER PLATE GHOST ARMORER'S INSTALLATION PLATE responsibly and safely.
