

VICKERS GLOCK ACCESSORY PACKS - TANGODOWN VICKERS

GLOCK ACCESSORY PACK-GEN 3

[Handgun Parts](#) > [Frame Parts](#) > [Magazine Release Parts](#) > [Magazine Releases](#)

Extended magazine release is easy to find and operate allowing fast, smooth mag changes that save you precious seconds. Serrated release button is 3/64" longer than original, allowing easy thumb access without repositioning your hand. Replaces factory original without alteration. Constructed of high strength polymer composite. Made of high quality, glass-filled nylon for superior strength, these floor plates offer plenty of non-slip surface to strip a stubborn magazine from the weapon, even if stuck with mud, sand or ice. Excellent for one handed use too, just hook the floor plate under a belt, against a holster, etc. to stay in the fight. The VT Tactical Floor Plates also provide a larger, more positive surface when pulling magazines from pouches, speeding reloads. Concaved dots allow easy numbering & marking of spare magazines. For Glock® magazine calibers: 9x19mm, .40 Smith & Wesson, .357 SIG, .45 GAP Sold in packs of 5, because any serious fighting handgun should have 5 reliability-proven magazines close by. Redesigned thumb pad places the pad slightly forward of the factory position, so your thumb gets to it quicker and returns the pistol to battery faster. Pad is shaped to aid in positive contact to help prevent accidental slide stop engagement, even when you're wearing gloves. Stamped and formed from durable 4130 steel, then treated with a special hardcoat finish that resists rust and wear.

VICKERS GLOCK ACCESSORY PACK Safety Instructions

Introduction

Thank you for choosing the Vickers Glock Accessory Pack. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before installation and usage to minimize risks and enhance your experience.

General Safety Guidelines

- Ensure that the product is compatible with your Glock model (17, 19, 22, 23, 24, 34, 35, 26, 27, 31, 32, 33).
- Always handle firearms responsibly and follow all applicable laws and regulations.
- Store the product and any associated components in a secure location away from children and unauthorized users.
- Regularly inspect the product for signs of wear or damage before use. If any issues are found, discontinue use immediately.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety notices through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or using the accessory pack.
- Be cautious when using the extended magazine release; ensure your fingers are clear of the trigger.
- When using the floor plates, ensure they are securely attached to the magazines to prevent accidental detachment during use.
- If wearing gloves, ensure that they do not interfere with the operation of the magazine release.
- Avoid using the product in extreme weather conditions (e.g., heavy rain, snow, or extreme heat) that may affect its performance.

Instructions for Installation and Usage

1. Installation of Extended Magazine Release:

- Ensure the firearm is unloaded.
- Remove the factory magazine release by following the manufacturer's instructions.
- Align the Vickers extended magazine release with the magazine release housing.
- Press firmly until it clicks into place.
- Test the release to ensure it operates smoothly.

2. Using the Extended Magazine Release:

- Grip the firearm firmly with your dominant hand.
- Use your thumb to press the serrated release button.
- Ensure a smooth and quick change of magazines.
- Practice using the release in a safe environment to become familiar with its operation.

3. Installation of Tactical Floor Plates:

- Ensure the magazine is unloaded before attaching the floor plate.
- Align the floor plate with the bottom of the magazine.
- Press firmly until the floor plate snaps into place.

- Check that the floor plate is secure before use.

4. Using Tactical Floor Plates:

- When removing a magazine, position the floor plate against a stable surface (e.g., belt or holster).
- Apply pressure to strip the magazine from the firearm if it becomes stuck.
- Practice using the floor plates to improve onehanded operation.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local waste management authorities for proper disposal methods for polymer and steel materials.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's website or customer support channels. Ensure you have the product details ready for reference.

By following these safety instructions, you can ensure a safe and effective use of your Vickers Glock Accessory Pack. Thank you for your attention to safety.
