Safety Instruction Guide for ACTION ENHANCEMENT TRIGGER W/GEN 3 TRIGGER BAR FOR GLOCK®

Introduction

Thank you for choosing the Apex Tactical Action Enhancement Trigger for Glock®. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle firearms safely and responsibly.
- Keep the trigger and all firearm components out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage.
- If you encounter any issues or concerns, discontinue use immediately and seek professional assistance.

Specific Safety Precautions for Use

- This product is designed specifically for use with Gen 3 Glock® models only. Do not attempt to use it with Gen 4 or Gen 5 Glock® models.
- The installation of this trigger requires the removal of the factory trigger. Ensure that you are familiar with the disassembly of your Glock® before proceeding.
- Always ensure that your firearm is unloaded before performing any installation or maintenance work.
- Use only the customer's stock Gen 3 trigger bar or a separately purchased factory trigger bar. Improper installation may lead to malfunction or unsafe operation.
- Maintain all factory safety features, including the centermounted pivoting safety, to ensure safe operation.
- If you experience any malfunctions or irregularities in trigger performance, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a punch tool and a small hammer.

2. Disassembly of the Glock®

- Remove the slide from the frame according to the Glock® manual.
- Remove the factory trigger by carefully driving out the trigger pin using the punch tool.

3. Installation of the Apex Trigger

- Insert the Apex Tactical Action Enhancement Trigger into the trigger housing.
- Align the trigger bar with the trigger and ensure it is seated properly.
- Reinsert the trigger pin to secure the trigger in place.

4. Reassembly of the Glock®

- Reattach the slide to the frame and ensure it is functioning correctly.
- Perform a function check to verify that the trigger operates smoothly and safely.

5. Final Safety Check

- Conduct a thorough safety check of your firearm, ensuring that all components are secure and functioning as intended.
- Store your firearm in a safe location when not in use.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the product needs to be discarded, follow local laws regarding the disposal of firearm accessories. Consult local authorities if unsure.

Contact Information for Further Support

For any questions or concerns regarding the Apex Tactical Action Enhancement Trigger, please consult the manufacturer's website or contact their customer service for assistance.

This safety instruction guide is designed to ensure your safety and the proper use of the ACTION ENHANCEMENT TRIGGER W/GEN 3 TRIGGER BAR FOR GLOCK®. Always prioritize safety and adhere to all guidelines provided. Thank you for your attention to these important safety measures.
