

# OPTIC LEVELER COMBO KIT - ARISAKA DEFENSE OPTIC LEVELER COMBO KIT

[Home](#)

The Arisaka Optic Leveler is an inexpensive, easy-to-use tool for leveling scopes mounted in rings or one-piece mounts. The base plate sits on the Picatinny rail or one-piece mount just below the turret cluster of the scope, and then the matching wedge is inserted from the side. As the 11 degree ramped surfaces of the wedge and base engage, the top of the wedge rises upwards and contacts the turret cluster, automatically leveling it. This updated version includes an offset slot in the leveler base, which helps provide more leeway on one-piece scope mounts that have ramped surfaces, such as the Aero Precision Ultralite mounts. This product includes the leveler base and both small and large wedges. The small wedge requires a space between the rail/mount and turret cluster from 0.190" to 0.730". The large wedge requires a space between the rail/mount and turret cluster from 0.680" to 1.200". Please note: some one-piece scope mounts like those made by Bobro may not have enough space, so be certain to check with your specific scope and mount. The leveler requires a flat surface directly below the turret cluster to function.

## Attributes

- Name: [ARISAKA DEFENSE OPTIC LEVELER COMBO KIT](#)
- Manufacturer: [ARISAKA DEFENSE](#)
- Product no.: 100018180
- Mfr. No.: OL-COMBO
- Delivery weight: 0.041kg
- Shipping height: 25mm
- Shipping width: 51mm
- Shipping length: 108mm
- UPC: 642049503953

# Arisaka Defense Optic Leveler Combo Kit Safety Instructions

## Introduction

Thank you for choosing the Arisaka Defense Optic Leveler Combo Kit. This guide provides essential safety instructions and information to ensure safe and effective use of the product. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Do not attempt to modify or repair the product yourself.
- Follow all instructions provided in this manual for safe usage.

## Specific Safety Precautions for Use

- The leveler requires a flat surface directly below the turret cluster to function correctly.
- Ensure that the space between the rail/mount and turret cluster is appropriate for the wedge being used:
  - Small wedge: 0.190" to 0.730".
  - Large wedge: 0.680" to 1.200".
- Some onepiece scope mounts may not provide sufficient space. Always verify compatibility with your specific scope and mount before use.
- Avoid using the leveler on unstable or uneven surfaces to prevent accidents.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather the necessary components: leveler base, small wedge, and large wedge.

### 2. Placement:

- Position the leveler base on the Picatinny rail or onepiece mount just below the turret cluster of the scope.
- Ensure that the base plate is secure and stable.

### 3. Inserting the Wedge:

- Select the appropriate wedge (small or large) based on the space available between the rail/mount and turret cluster.
- Insert the wedge from the side into the designated slot on the leveler base.

### 4. Leveling the Scope:

- As the wedge engages with the ramped surfaces of the base, observe the top of the wedge rising.
- Ensure that the top of the wedge makes contact with the turret cluster, automatically leveling it.

### 5. Final Checks:

- After leveling, doublecheck that the scope is securely mounted and that all components are

- properly engaged.
- Perform a final inspection of the setup before using the firearm.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer usable, consider recycling options where available.

## Contact Information for Further Support

For any safety inquiries or further assistance, please contact the designated EUbased contact point for this product. Ensure that you have your product details ready for a more efficient response.

By adhering to these safety instructions, you can ensure a safe and effective experience with the Arisaka Defense Optic Leveler Combo Kit. Thank you for your attention to safety.
