

SIG P320 +5 BASEPAD - TAYLOR FREELANCE SIG P320 +5 BASEPAD

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Extension](#)

The SIG 320 +5+ basepad takes full advantage of the 140mm overall length allowed in USPSA and 3-Gun competition. Custom springs and a quick-release stainless locking plate make this a go-to part, whether or not you compete. This latest update includes a relief cut to improve the way the floorplate slides up into the frame. Requires no modification to the gun or magazine -- easy to install.

Attributes

- Name: [TAYLOR FREELANCE SIG P320 +5 BASEPAD](#)

SIG P320 +5 Basepad Safety Instruction Guide

Introduction

Thank you for purchasing the SIG P320 +5 Basepad by Taylor Freelance. This guide provides essential safety information, installation instructions, and usage guidelines to ensure a safe and effective experience with your new product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the SIG P320 +5 Basepad is compatible with your firearm model before installation.
- Always handle firearms safely and responsibly, following all relevant laws and regulations.
- Keep the basepad and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the basepad for any signs of wear or damage.
- Do not use the basepad if it is damaged or shows signs of wear.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or removing the basepad.
- Follow the manufacturer's instructions for your firearm when attaching or detaching the basepad.
- Do not modify the basepad or the firearm in any way that could affect safety.
- Use the basepad only for its intended purpose; do not use it in any manner that is not recommended by the manufacturer.
- Be aware of the potential hazards associated with firearms, including accidental discharge.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure the firearm is completely unloaded.
- Remove the existing magazine baseplate from the magazine.
- Align the SIG P320 +5 Basepad with the magazine.
- Press the basepad onto the magazine until it clicks securely into place.
- Check that the basepad is firmly attached and does not move when pulled.

2. Usage Guidelines:

- After installation, load the magazine according to the manufacturer's instructions.
- Regularly check the basepad for secure attachment during use.
- If you experience any issues with the basepad during operation, remove it immediately and inspect for damage.

3. Maintenance:

- Clean the basepad with a soft cloth to remove any dirt or debris.
- Do not use harsh chemicals or solvents that could damage the basepad.
- Store the basepad in a dry place away from direct sunlight.

Disposal Instructions

- Dispose of the basepad in accordance with local regulations regarding plastic waste.
- Do not dispose of the basepad in fire, as it may release harmful fumes.
- If the basepad is damaged beyond use, consider recycling it if possible.

Contact Information for Further Support

For any questions or concerns regarding the SIG P320 +5 Basepad, please refer to the manufacturer's website or customer service for assistance.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your SIG P320 +5 Basepad responsibly!
