Safety Instruction Guide for TURBO CASE CLEANING MEDIA LYMAN 18 LBS TREATED WALNUT MEDIA

Introduction

Thank you for choosing Lyman Case Cleaning Media. This product is designed to effectively clean dirty and tarnished cases, ensuring they are polished and ready for reloading. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle the product in a wellventilated area.
- Keep the product out of reach of children and pets.
- Do not ingest the cleaning media. It is not a food product.
- Avoid direct contact with skin and eyes. If contact occurs, rinse thoroughly with water.
- Store the product in a dry, cool place, away from direct sunlight and heat sources.
- Regularly check for product recalls and safety updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that you are using the product with compatible tumblers, such as the Lyman Turbo Tumbler.
- Do not overload the tumbler with excessive media or cases.
- Follow the manufacturer's instructions regarding the amount of media to use.
- Avoid using damaged or malfunctioning tumblers to prevent accidents.
- Wear protective gloves and eyewear when handling the media and during the cleaning process.
- Do not use the cleaning media for any purpose other than its intended use.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials, including the Lyman Turbo Tumbler and the walnut cleaning media.
- Ensure that the tumbler is clean and in good working condition.

2. Loading the Tumbler:

- Measure the appropriate amount of walnut media as per the tumbler's instructions.
- Place the walnut media into the tumbler's bowl.
- Add the dirty cases to the tumbler. Ensure they are evenly distributed.

3. Operating the Tumbler:

- Close the tumbler securely according to the manufacturer's guidelines.
- Plug in the tumbler and turn it on.
- Allow the tumbler to run for the recommended time (usually a few hours) to achieve optimal cleaning results.

4. PostUse Care:

- Once the cleaning cycle is complete, turn off and unplug the tumbler.
- Carefully open the tumbler and remove the cleaned cases.

- Dispose of used walnut media according to the disposal instructions below.

Disposal Instructions

- Dispose of the walnut cleaning media in accordance with local waste disposal regulations.
- Do not dispose of the media in water bodies or on the ground.
- If the media is contaminated with hazardous materials, follow local hazardous waste disposal guidelines.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the TURBO CASE CLEANING MEDIA, please refer to the product packaging or visit the manufacturer's official website for additional resources.

Thank you for prioritizing safety and ensuring the effective use of Lyman Case Cleaning Media.
