Safety Instruction Guide for Lyman Turbo Case Cleaning Media

Introduction

Thank you for choosing Lyman Turbo Case Cleaning Media. This product is designed to effectively clean and polish dirty and tarnished cases, making them ready for reloading. Please read this safety instruction guide carefully to ensure safe and effective use of this product.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and pets.
- Do not ingest the cleaning media; it is not a food product.
- Store the product in a cool, dry place away from direct sunlight.
- In case of contact with eyes or skin, rinse immediately with plenty of water and seek medical advice if irritation persists.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure proper ventilation when using the cleaning media to avoid inhalation of dust.
- Wear protective gloves and eyewear when handling the media to prevent skin and eye irritation.
- Do not mix with other cleaning agents or chemicals unless specified by the manufacturer.
- Avoid using the media if you are allergic to corn or any of its derivatives.
- Check for any visible damage to the packaging before use. Do not use if the packaging is compromised.

Instructions for Installation and Usage

1. Preparation:

- Before using the Lyman Turbo Case Cleaning Media, ensure that your Turbo Tumbler is clean and free from any previous cleaning media.

2. Loading the Tumbler:

- Pour the desired amount of treated corncob media into the tumbler. For optimal results, fill it according to the manufacturer's recommendations.
- Place the dirty cases into the tumbler, ensuring they are evenly distributed among the media.

3. Operating the Tumbler:

- Close the tumbler securely.
- Set the timer according to the level of cleaning required. A few hours is generally sufficient for most cases.
- Start the tumbler and monitor it periodically to ensure it is operating correctly.

4. PostUse:

- Once the cleaning cycle is complete, turn off the tumbler and allow it to cool before opening.
- Carefully remove the cases from the media and check for cleanliness. If necessary, repeat the process.

Disposal Instructions

- Dispose of used cleaning media in accordance with local regulations.
- Do not dispose of the media in the household waste. Check for recycling options or designated disposal sites.
- Ensure that any waste is securely bagged to prevent spillage.

Contact Information for Further Support

For any safety inquiries or support regarding this product, please refer to the manufacturer's contact information provided on the packaging or the official website.

Thank you for your attention to these safety guidelines. Enjoy using your Lyman Turbo Case Cleaning Media safely and effectively!
