Safety Instruction Guide for Battle Born High Purity Oil

Introduction

Thank you for choosing Battle Born High Purity Oil. This ultrapure synthetic oil is designed to deliver maximum lubrication and protection for firearms in extreme operating conditions. This guide provides essential safety instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of this product by following all instructions and safety precautions.
- This product is intended for use on metal and plastic parts only. Avoid contact with food and foodrelated items.
- Always store the product out of reach of children and vulnerable individuals.
- Regularly check for any safety updates or recalls on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use in a wellventilated area to minimize inhalation of vapors.
- Avoid skin contact. Wear gloves if necessary.
- In case of contact with eyes, rinse immediately with plenty of water and seek medical advice if irritation persists.
- Do not ingest. If swallowed, seek medical attention immediately.
- Do not use near open flames or heat sources, as the product is nonflammable but should still be handled with care.
- Keep away from strong oxidizers and acids.

Instructions for Installation and Usage

1. **Preparation:** Ensure that the firearm and its components are clean and dry before application.
2. **Application:**
 - Shake the bottle well before use.
 - Apply a small amount of Battle Born High Purity Oil to the desired area using a clean cloth or applicator.
 - For best results, ensure even coverage across all metal and plastic surfaces.
3. **PostApplication:**
 - Allow the oil to penetrate and dry before using the firearm.
 - Wipe away any excess oil to prevent buildup.
4. **Cleaning Up:** After use, clean any tools or applicators used in the application process with a suitable solvent.

Disposal Instructions

- Dispose of any unused product or empty containers in accordance with local regulations.
- Do not pour down the drain or dispose of in regular household waste.
- Check for local disposal facilities that accept hazardous materials.

Contact Information for Further Support
