

# BATTLE BORN GREASE - BREAKTHROUGH CLEAN 4 OZ TUB GREASE

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

## Keeps Moving Parts Gliding Smoothly, Regardless Of Ambient Temperature

A clean, versatile, premium-quality, light grease fortified with sub-micron size PTFE to keep moving gun parts gliding smoothly. Blended completely with pure synthetic base oils, additives and shear-stable thickeners to provide maximum protection in extreme operating temperatures (-75 ° F to +510° F). Not just for firearms - use on knives, fishing reels, and bows, too. Water/steam-resistant, non-melting, non-flammable, non-toxic, non-straining, minimal odor. Available in handy, precision-applicator 12cc syringe or 4 oz. jar. Keeps Moving Parts Gliding Smoothly, Regardless Of Ambient Temperature

# BATTLE BORN GREASE BREAKTHROUGH CLEAN 4 OZ TUB GREASE Safety Instruction Guide

## Introduction

Thank you for choosing BATTLE BORN GREASE BREAKTHROUGH CLEAN. This premium quality light grease is designed to keep moving gun parts and other mechanical components gliding smoothly. To ensure safe and effective use of this product, please read and follow the safety instructions provided in this guide.

## General Safety Guidelines

- Ensure safe use by following all instructions and precautions outlined in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the product for any purpose other than its intended use.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Check for any recalls or safety alerts related to the product on the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Avoid contact with eyes; in case of contact, rinse immediately with plenty of water and seek medical advice.
- Do not ingest the product. If swallowed, seek medical attention immediately.
- Use in wellventilated areas to minimize inhalation of fumes.
- Do not apply to hot surfaces or near open flames, as the product is nonflammable but can still pose risks in certain conditions.
- Wear appropriate protective gear, such as gloves, when handling the grease to avoid skin irritation.
- Ensure that the product is not used on surfaces that will come into contact with food.

## Instructions for Installation and Usage

- **Preparation:**
  - Ensure the surface to be lubricated is clean and free from dirt and debris.
- **Application:**
  - Use the precisionapplicator syringe or jar to dispense the grease.
  - Apply a thin, even layer of grease to the moving parts or surfaces.
  - Avoid overapplication, as excess grease may attract dirt and debris.
- **PostApplication:**
  - Allow the grease to settle and adhere to the surfaces before use.
  - Wipe off any excess grease that may have accumulated.

## Disposal Instructions

- Dispose of the product and its packaging in accordance with local regulations.
- Do not dispose of the product in household waste or down the drain.
- Contact local waste disposal authorities for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding this product, please refer to the contact point provided by your retailer or manufacturer.
