

PMAG 30 AK/AKM MAGLINK COUPLER - MAGPUL MAGLINK COUPLER 7.62X39 FOR PMAG 30RD AK/AKM MAGAZINES BLK

[Magazines](#) > [Rifle Magazines](#) > [Magazine Couplers & Holders](#)

The AK MagLink is a coupler for PMAG AK magazines designed for Kalashnikov pattern rifles in 7.62x39mm, which allows the user to attach two magazines together for more efficient speed reloads, and to keep additional ammunition accessible on the weapon at all times. NOTE: This MagLink is NOT compatible with other Magpul magazines such as 5.56x45 and 7.62x51 PMAGS or any metal magazine.

PMAG 30 AK/AKM MagLink Coupler Safety Instructions

Introduction

Thank you for choosing the PMAG 30 AK/AKM MagLink Coupler by Magpul. This product is designed to enhance the functionality of your PMAG AK magazines, providing a convenient way to couple two magazines together for efficient speed reloads. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Ensure the product is used only with compatible PMAG AK magazines designed for 7.62x39mm.
- Always handle magazines and firearms safely, following the basic rules of firearm safety.
- Store the product in a safe location, out of reach of children and unauthorized users.
- Regularly inspect the MagLink Coupler for any signs of damage or wear before each use.
- Do not use the MagLink Coupler with any other magazine types, including metal magazines or those for different calibers.
- Report any unsafe product experiences or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the MagLink Coupler.
- Do not attempt to couple magazines while the firearm is loaded or in use.
- Avoid placing the MagLink Coupler under excessive stress, such as dropping or crushing.
- Be aware of your environment when using the MagLink Coupler to prevent accidents.
- Follow all local laws and regulations related to firearm and magazine usage.

Instructions for Installation and Usage

1. Attaching the MagLink Coupler:

- Ensure both magazines are empty and the firearm is unloaded.
- Align the MagLink Coupler with the magazine bases.
- Press the magazines together until you hear a click, indicating they are securely attached.

2. Using the Coupled Magazines:

- Load ammunition into both magazines as per standard loading procedures.
- When ready to fire, ensure the firearm is in a safe condition and follow standard safety protocols.

3. Detaching the MagLink Coupler:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Press the release tabs on the MagLink Coupler to separate the magazines.
- Store the magazines separately when not in use.

Disposal Instructions

- Dispose of the MagLink Coupler in accordance with local regulations.
- If the product is damaged or no longer in use, it should be discarded responsibly to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries, concerns, or reports of unsafe products, please contact your local authorities or visit the EU's Safety Gate platform for updates on product recalls and safety alerts.

Thank you for prioritizing safety and compliance with the regulations. Your responsible use of the PMAG 30 AK/AKM MagLink Coupler contributes to a safer environment for everyone.
