

LPA NOVAK ADJUSTABLE SIGHT SETS - L.P.A. SIGHTS FIBER OPTIC ADJUSTABLE SIGHT SET, NOVAK STYLE

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Fusion Firearms/LPA fully adjustable Novak style sight sets in multiple configurations. This rear sight is designed in the "low profile" configuration for easy holstering and makes for a great target, combat, or concealment sight. Precision machined components for fine and positive click adjustments and are fully adjustable for windage and elevation. The dovetail rear sight bases have locking screws which allow for secure retention in the slide dovetail. The rear dovetail is the standard .495x65 degree, and the front dovetail is the standard .330x65 degree Novak cuts. These sights are available in red front/black rear, white dot, and fiber optic configurations.

Safety Instruction Guide for LPA Novak Adjustable Sight Sets

Introduction

Thank you for choosing the LPA Novak Adjustable Sight Sets. This guide provides essential safety instructions and usage information to ensure your safe and effective use of the product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a sight set for firearms.
- Always handle firearms safely and responsibly. Follow all local laws and regulations regarding firearm use.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sight sets for any signs of wear or damage before use.
- Report any unsafe conditions or product malfunctions to the relevant authorities.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the sights.
- Use appropriate tools for installation to avoid damaging the sight or firearm.
- Do not attempt to modify the sight set beyond manufacturer specifications.
- Be aware of your surroundings when using firearms equipped with these sights to avoid accidents.
- If using fiber optic sights, avoid exposing them to extreme temperatures or direct sunlight for extended periods.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove Old Sights:** If applicable, carefully remove any existing sights using appropriate tools.
3. **Install Rear Sight:**
 - Align the dovetail base of the rear sight with the slide dovetail.
 - Secure the sight with locking screws, ensuring it is firmly in place.
4. **Install Front Sight:**
 - Align the front sight dovetail with the slide dovetail.
 - Secure the sight with locking screws, ensuring it is firmly in place.
5. **Adjustment:** Use precision tools to make fine adjustments for windage and elevation as needed.

Usage

- After installation, test the sight alignment at a safe shooting range.
- Make adjustments to the sights as necessary to achieve desired accuracy.
- Always practice safe firearm handling and shooting techniques.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the sight set is damaged or no longer in use, dispose of it in a manner that complies with local electronic waste disposal guidelines.

Contact Information for Further Support

For any inquiries or concerns regarding the LPA Novak Adjustable Sight Sets, please refer to the product packaging for the appropriate contact information.

Conclusion

This safety instruction guide is designed to help you use the LPA Novak Adjustable Sight Sets safely and effectively. By following the guidelines and precautions outlined in this document, you can ensure a safe experience while enjoying your product. Always prioritize safety and compliance with local laws when using firearms.
