[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

The PMAG AK/AKM MOE is an inexpensive, lightweight, highly reliable polymer magazine designed for Kalashnikov pattern rifles in 7.62x39mm (AK-47, AKM, AKS, SIG556R, and others). It features a removable floorplate, constant curve geometry, stainless steel spring, and a high-reliability / low-friction follower for the affordable performance you expect from a MOE PMAG. This magazine counts as three US compliance parts for 922(r). FEATURES The AK standard in MOE - Magazine designed to fit your needs. Improved Floorplate - Flared floorplate aids magazine handling and disassembly and is slim enough for use with most pouches Advanced follower - The anti-tilt, self-lubricating follower ensures a smooth feed and magazine reliability Easy Identification - Use the paint pen dot matrix to easily identify your different loads when it's crunch time Caliber: 7.62x39mm Made in the USA.

# PMAG® AK/AKM MOE® Magazine Safety Instructions

## Introduction

Thank you for choosing the PMAG® AK/AKM MOE® Magazine. This magazine is designed for use with Kalashnikov pattern rifles and offers high reliability and performance. To ensure your safety and the safe use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the magazine is compatible with your firearm before use.
- Always treat all firearms as if they are loaded.
- Store the magazine and ammunition in a secure place, out of reach of children and unauthorized users.
- Inspect the magazine regularly for any signs of damage or wear.
- Do not use the magazine if it is damaged or if you notice any irregularities.
- Follow all local laws and regulations regarding the use and storage of firearms and ammunition.

## Specific Safety Precautions for Use

- Only use ammunition that is specified for the magazine: 7.62x39mm.
- Do not attempt to modify the magazine in any way. Modifications can compromise safety and reliability.
- Ensure that the magazine is properly seated in the firearm before firing.
- Keep your fingers away from the trigger until you are ready to shoot.
- Always point the firearm in a safe direction when loading or unloading the magazine.
- Be aware of your surroundings and ensure that you have a clear and safe area for shooting.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Insert the PMAG® into the magazine well of your firearm until you hear a click, indicating it is properly seated.

### 2. Loading the Magazine:

- Hold the magazine with the feed lips facing up.
- Load the ammunition by pressing each round down and back into the magazine.
- Do not exceed the magazine's capacity of 10 rounds.

### 3. Using the Magazine:

- Ensure the magazine is securely in place before firing.
- Follow the manufacturer's instructions for the firearm to operate it safely.
- After firing, remove the magazine by pressing the magazine release button and pulling the magazine out.

### 4. Unloading the Magazine:

- Point the firearm in a safe direction.
- Remove the magazine from the firearm.
- Press the follower down and remove each round from the magazine.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer functional, do not attempt to repair it.
- Contact local waste management services for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions regarding the PMAG® AK/AKM MOE® Magazine, please refer to the manufacturer's website or contact your local retailer for assistance.

By following these safety instructions, you can ensure that you use the PMAG® AK/AKM MOE® Magazine safely and effectively. Always prioritize safety when handling firearms and ammunition. Thank you for your attention to these important guidelines.
