## Loads Pistol Magazines Fast, Protects Fingers & Thumbs

Hand-held loader fills pistol magazines quickly and easily, so you spend less range time loading mags and more of it shooting. Smooth, positive operation protects fingers and thumbs while you load hundreds of rounds painlessly—as fast as one round per second. Also lengthens magazine life by reducing wear and tear on feed lips. Hold the magazine upright with the bottom resting on a solid surface. Place the loader over the top of the mag, press down lightly while squeezing the lever to depress the follower, drop in a round, and work the lever quickly to push it into the mag. Repeat the process until the magazine is full. Constructed from tough, reinforced, black polymer. Locks closed when not in use, so it takes up minimal space in pocket or range bag. UpLula fits single- and double-stack 9mm, .357 SIG, .40 S&W, 10mm, and .45 ACP magazines, plus some .380 mags. Will not load Glock 6-round single-stack .45 caliber, Smith & Wesson 7-round single-stack 9mm, or magazines with less than 8mm between feed lips. Will also need to purchase the UpLula Align Insert.

# SEMAUTO PISTOL UPLULA MAGAZINE LOADER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the SEMIAUTO PISTOL UPLULA MAGAZINE LOADER by MAGLULA LTD. This product is designed to help you load pistol magazines quickly and efficiently, enhancing your shooting experience. Please read this safety instruction guide carefully to ensure safe and proper use of the loader.

## General Safety Guidelines

- Ensure that the loader is used only for its intended purpose of loading pistol magazines.
- Always handle firearms and ammunition responsibly and in accordance with local laws and regulations.
- Keep the loader out of reach of children and vulnerable individuals.
- Inspect the loader before each use to ensure it is in good working condition.
- Do not attempt to modify or repair the loader yourself. Contact the manufacturer for assistance.
- In case of any malfunction or damage, cease use immediately and consult a qualified professional.

## Specific Safety Precautions for Use

- Always load magazines in a safe and controlled environment, away from others.
- Ensure the firearm is unloaded before using the loader.
- Do not place fingers or hands in the path of the loader's moving parts while in use.
- Use the loader only with compatible magazine types as specified in the product description.
- If you experience resistance while loading, stop and check for obstructions before continuing.
- Avoid using excessive force when operating the loader to prevent damage to the product or injury.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have a compatible magazine and the UpLula Align Insert if necessary.
- Place the magazine upright with the bottom resting on a solid surface.

### 2. Loading Process:

- Position the loader over the top of the magazine.
- Press down lightly on the loader while squeezing the lever to depress the follower.
- Drop a round into the magazine.
- Quickly work the lever to push the round into the magazine.
- Repeat the process until the magazine is full.

### 3. Storage:

- When not in use, lock the loader closed to prevent accidental opening.
- Store the loader in a dry place, away from direct sunlight and extreme temperatures.

## Disposal Instructions

- Dispose of the loader in accordance with local regulations for plastic products.
- If the loader is damaged beyond repair, contact your local waste management authority for guidance on proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the SEMIAUTO PISTOL UPLULA MAGAZINE LOADER, please refer to the manufacturer's contact details found on the product packaging or official website.

## Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your SEMIAUTO PISTOL UPLULA MAGAZINE LOADER. Always prioritize safety and responsible handling of firearms and ammunition. Thank you for your attention to these guidelines.
