## Loads Pistol Magazines Fast, Protects Fingers & Thumbs

Hand-held loader fills pistol magazines quickly and easily, so you spend less range time loading mags and more of it shooting. Smooth, positive operation protects fingers and thumbs while you load hundreds of rounds painlessly—as fast as one round per second. Also lengthens magazine life by reducing wear and tear on feed lips. Hold the magazine upright with the bottom resting on a solid surface. Place the loader over the top of the mag, press down lightly while squeezing the lever to depress the follower, drop in a round, and work the lever quickly to push it into the mag. Repeat the process until the magazine is full. Constructed from tough, reinforced, black polymer. Locks closed when not in use, so it takes up minimal space in pocket or range bag. UpLula fits single- and double-stack 9mm, .357 SIG, .40 S&W, 10mm, and .45 ACP magazines, plus some .380 mags. Will not load Glock 6-round single-stack .45 caliber, Smith & Wesson 7-round single-stack 9mm, or magazines with less than 8mm between feed lips. Will also need to purchase the UpLula Align Insert.

# Safety Instruction Guide for SEMIAUTO PISTOL UPLULA MAGAZINE LOADER

## Introduction

Thank you for choosing the SEMIAUTO PISTOL UPLULA MAGAZINE LOADER by MAGLULA LTD. This handheld loader is designed to help you fill pistol magazines quickly and easily, allowing you to spend more time shooting and less time loading. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always use the loader in a safe and controlled environment, away from children and unauthorized users.
- Ensure the loader is used only for its intended purpose: loading pistol magazines.
- Inspect the loader regularly for any signs of damage or wear. Do not use if damaged.
- Keep the loader out of reach of children and ensure they are supervised at all times when in the vicinity of firearms.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about any product recalls or safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not attempt to load magazines that are not compatible with the UpLula loader, such as Glock 6round singlestack .45 caliber or Smith & Wesson 7round singlestack 9mm magazines.
- Ensure the magazine is securely held upright with the bottom resting on a solid surface during loading.
- Avoid placing fingers near the follower or the magazine feed lips while operating the loader.
- Do not force the loader or the magazine if resistance is encountered. Check for obstructions before proceeding.
- Always load ammunition in a safe and responsible manner, following all local laws and regulations regarding firearms.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather your UpLula loader, compatible magazine, and ammunition.
- Ensure you are in a safe and secure location.

### 2. Loading Process:

- Hold the magazine upright with the base resting on a solid surface.
- Place the loader over the top of the magazine.
- Press down lightly on the loader while squeezing the lever to depress the follower.
- Drop one round of ammunition into the magazine.
- Quickly work the lever to push the round into the magazine.
- Repeat this process until the magazine is full.

### 3. PostUse:

- Once loading is complete, store the loader in a safe place.
- Ensure it is locked closed to prevent accidental opening.

## **Disposal Instructions**

- Dispose of the loader in accordance with local regulations for plastic products.
- Do not dispose of the loader in household waste. Check for recycling options in your area.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or compatibility, please refer to the official MAGLULA LTD. website or contact your local distributor.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the UpLula loader!
