

SEMI-AUTO PISTOL UPLULA MAGAZINE LOADER - MAGLULA LTD.

UPLULA PISTOL MAGAZINE LOADER, LEMON

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Magazine Speedloaders](#)

Loads Pistol Magazines Fast, Protects Fingers & Thumbs

Hand-held loader fills pistol magazines quickly and easily, so you spend less range time loading mags and more of it shooting. Smooth, positive operation protects fingers and thumbs while you load hundreds of rounds painlessly—as fast as one round per second. Also lengthens magazine life by reducing wear and tear on feed lips. Hold the magazine upright with the bottom resting on a solid surface. Place the loader over the top of the mag, press down lightly while squeezing the lever to depress the follower, drop in a round, and work the lever quickly to push it into the mag. Repeat the process until the magazine is full. Constructed from tough, reinforced, black polymer. Locks closed when not in use, so it takes up minimal space in pocket or range bag. UpLula fits single- and double-stack 9mm, .357 SIG, .40 S&W, 10mm, and .45 ACP magazines, plus some .380 mags. Will not load Glock 6-round single-stack .45 caliber, Smith & Wesson 7-round single-stack 9mm, or magazines with less than 8mm between feed lips. Will also need to purchase the UpLula Align Insert.

Safety Instruction Guide for SEMIAUTO PISTOL UPLULA MAGAZINE LOADER

Introduction

Thank you for choosing the SEMIAUTO PISTOL UPLULA MAGAZINE LOADER by MAGLULA LTD. This guide provides important safety information and instructions to ensure the safe and effective use of your magazine loader. Please read this guide thoroughly before use.

General Safety Guidelines

- Ensure that the magazine loader is used only for its intended purpose, which is to load ammunition into pistol magazines.
- Keep the loader out of reach of children and unauthorized users.
- Always handle firearms and ammunition with care and follow all applicable laws and regulations.
- Inspect the loader before each use for any signs of damage or wear. Do not use if damaged.
- Do not attempt to modify or repair the loader yourself. Contact a qualified professional for repairs.

Specific Safety Precautions for Use

- Always ensure that the firearm is pointed in a safe direction when loading magazines.
- Use the loader in a welllit area to avoid accidents.
- Avoid placing fingers near the magazine opening while loading.
- Do not exceed the magazine's capacity as specified by the manufacturer.
- Store the loader in a secure location when not in use to prevent unauthorized access.

Instructions for Installation and Usage

1. Preparation:

- Ensure the magazine is empty and the firearm is not loaded.
- Hold the magazine upright with the bottom resting on a solid surface.

2. Loading Process:

- Place the loader over the top of the magazine.
- Press down lightly on the loader while squeezing the lever to depress the follower.
- Drop a round into the magazine.
- Quickly work the lever to push the round into the magazine.
- Repeat the process until the magazine is full.

3. Storage:

- When not in use, lock the loader closed to minimize space in your pocket or range bag.
- Store in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of the magazine loader in accordance with local regulations.
- Do not dispose of the loader in regular household waste. Check for recycling options in your area.

Contact Information for Further Support

For safety inquiries or more information about your SEMIAUTO PISTOL UPLULA MAGAZINE LOADER, please contact the manufacturer directly. Ensure that you have your product details handy for a more efficient response.

This safety instruction guide complies with the EU General Product Safety Regulation (GPSR). Please keep this guide for future reference and ensure that all users of the product read and understand these safety instructions.
