### Loads Pistol Magazines Fast, Protects Fingers & Thumbs

Hand-held loader fills pistol magazines quickly and easily, so you spend less range time loading mags and more of it shooting. Smooth, positive operation protects fingers and thumbs while you load hundreds of rounds painlessly—as fast as one round per second. Also lengthens magazine life by reducing wear and tear on feed lips. Hold the magazine upright with the bottom resting on a solid surface. Place the loader over the top of the mag, press down lightly while squeezing the lever to depress the follower, drop in a round, and work the lever quickly to push it into the mag. Repeat the process until the magazine is full. Constructed from tough, reinforced, black polymer. Locks closed when not in use, so it takes up minimal space in pocket or range bag. UpLula fits single- and double-stack 9mm, .357 SIG, .40 S&W, 10mm, and .45 ACP magazines, plus some .380 mags. Will not load Glock 6-round single-stack .45 caliber, Smith & Wesson 7-round single-stack 9mm, or magazines with less than 8mm between feed lips. Will also need to purchase the UpLula Align Insert.

# Safety Instruction Guide for SEMIAUTO PISTOL UPLULA MAGAZINE LOADER

## Introduction

Thank you for choosing the SEMIAUTO PISTOL UPLULA MAGAZINE LOADER by MAGLULA LTD. This guide provides essential safety instructions and usage guidelines to ensure your safe and effective use of the product. Please read this guide carefully before using the loader.

## General Safety Guidelines

- Ensure the loader is used only for its intended purpose: loading magazines for compatible pistol calibers.
- Always handle firearms and ammunition responsibly and in accordance with local laws and regulations.
- Keep the loader out of reach of children and unauthorized users.
- Inspect the loader regularly for any signs of damage or wear. Do not use if damaged.
- Store the loader in a safe, dry place when not in use.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure the magazine is empty before attempting to load it with the loader.
- Do not load live ammunition in the loader outside of a controlled environment.
- Avoid placing your fingers near the magazine feed lips while loading.
- Do not force the loader if it does not operate smoothly; check for obstructions or damage.
- Use the loader only with compatible magazines as specified in the product description.
- Do not attempt to modify or alter the loader in any way.

## Instructions for Installation and Usage

### 1. Preparation:

- Before using the loader, ensure you are in a safe and appropriate environment, such as a shooting range.
- Gather your magazines and ammunition.

### 2. Loading Process:

- Hold the magazine upright with the bottom resting on a solid surface.
- Place the loader over the top of the magazine.
- Press down lightly on the loader while squeezing the lever to depress the follower.
- Drop a round into the magazine.
- Quickly work the lever to push the round into the magazine.
- Repeat the process until the magazine is full.
- Ensure that you do not exceed the magazine's capacity.

### 3. PostUse:

- After loading, store the loader in a safe location.
- Regularly check for any signs of wear or damage before future use.

## **Disposal Instructions**

- Dispose of the loader responsibly according to local regulations.
- Do not dispose of the loader in regular household waste.
- If the loader is damaged beyond repair, consider recycling options for the polymer material.
