QUICK DETACH SCOPE MOUNTS MIDWEST INDUSTRIES Safety Instruction Guide

Introduction

Thank you for choosing the QUICK DETACH SCOPE MOUNTS by MIDWEST INDUSTRIES. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand the proper use, installation, and maintenance of your scope mounts.

General Safety Guidelines

- Always ensure the scope mount is compatible with your firearm and scope specifications before use.
- Inspect the scope mount for any signs of damage or wear before installation.
- Ensure that the mounting surface is clean and free from debris to avoid improper installation.
- Keep the scope mount out of reach of children and vulnerable individuals.
- Report any unsafe product experiences or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the recommended weight limit for the scope mount, which is designed to hold scopes with an objective lens up to 56mm.
- Avoid overtightening the adjustment nut, as this may damage the rail surface or affect the mount's functionality.
- Always check that the QD lever is securely locked before using the firearm.
- Use the scope mount only for its intended purpose; do not modify or alter the mount in any way.
- Ensure that the firearm is unloaded and pointed in a safe direction when installing or adjusting the scope mount.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools (if needed) for installation.
- Ensure your firearm is unloaded and pointed in a safe direction.

2. Installation Steps

- Clean the mounting surface of your firearm to ensure a secure fit.
- Position the scope mount on the rail, aligning it with the desired mounting location.
- Adjust the multifaceted adjustment nut to achieve the desired tension without damaging the rail surface.
- Securely tighten the QD lever until it clicks into place, ensuring it is locked.

3. Usage

- After installation, check the alignment of the scope and ensure it is securely mounted.
- Regularly inspect the scope mount for wear and tear, especially before each use.
- If any issues are detected, discontinue use immediately and consult a professional.

Disposal Instructions

- Dispose of the scope mount according to local regulations for metal waste.
- Do not dispose of the product in regular household waste.

- Consider recycling the aluminum components where facilities are available.

Contact Information for Further Support

For any inquiries regarding safety, product performance, or additional support, please refer to the manufacturer's contact information provided in the product packaging.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using the QUICK DETACH SCOPE MOUNTS by MIDWEST INDUSTRIES.
