

# AR-15 MOE SL-K STOCK COLLAPSIBLE MIL-SPEC - MAGPUL MOE SL-K COLLAPSIBLE MIL-SPEC CARBINE STOCK FOR AR-15 GRAY

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

## Slim, Maneuverable Tactical Stock With Plenty Of Versatility

Further developing Magpul's original SL stock, the SL-K is designed for compact PDW-style weapons or users who simply desire a small, light, highly maneuverable stock. Drop-in replacement for M4-type adjustable stocks that fit mil-spec (1.14" O.D.) buffer tubes. It offers a short, slim profile, comfortably sloped cheekweld, a rubber recoil pad with a "rolled" toe for easy shouldering and better fit when wearing body armor. Built-in 1.25" sling loop, and also accepts Magpul ASAP® and M-LOK QD Sling Mount (available separately) for pushbutton QD sling swivels. Ambidextrous latch enables easy extension/retraction of stock, plus it minimizes rattle on the receiver extension without requiring additional locks, levers, or springs. Latch made of steel, too, so it won't fail under hard use.

## Attributes

- Name: [MAGPUL MOE SL-K COLLAPSIBLE MIL-SPEC CARBINE STOCK FOR AR-15 GRAY](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100018596

# Safety Instruction Guide for AR15 MOE SLK Stock

## Introduction

Thank you for choosing the AR15 MOE SLK Collapsible MilSpec Stock by Magpul. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the stock is compatible with your AR15 model and milspec buffer tube.
- Always handle firearms and firearm accessories with care, following all safety protocols.
- Keep the stock and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the stock for signs of wear or damage. If any issues are detected, discontinue use immediately.
- Use the stock only for its intended purpose as described in this guide.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before attaching or detaching the stock.
- Avoid using the stock in a manner that could cause injury to yourself or others.
- Be cautious when adjusting the stock length; ensure your hands and body are clear of the moving parts.
- When using the stock with body armor, ensure a proper fit to avoid discomfort or injury.
- If using a sling, ensure it is securely attached to prevent accidental release.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing M4type adjustable stock from the buffer tube.
- Align the AR15 MOE SLK Stock with the milspec buffer tube.
- Slide the stock onto the buffer tube until it is securely in place.
- Test the stock's extension and retraction to ensure it operates smoothly.

### 2. Usage:

- Adjust the stock to your preferred length by using the ambidextrous latch.
- Ensure that the latch is fully engaged to prevent accidental retraction.
- When shouldering the firearm, ensure a proper cheekweld for stability and accuracy.
- Use the builtin sling loop for attaching a sling, if desired.

## Disposal Instructions

- Dispose of the stock in accordance with local regulations.
- Do not dispose of the stock in regular household waste if it is damaged or no longer usable.
- Consider recycling components where possible, following local recycling guidelines.

## Contact Information for Further Support

For any questions or concerns regarding the AR15 MOE SLK Stock, please refer to the manufacturer's contact information provided on the product packaging or the official Magpul website.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your new stock responsibly!
