

# MULTITASKER TWIST - MULTI-TASKER TWIST-BLACK

[Emergency & Survival Gear](#) > [Tools](#) > [Multi-Tool](#)

## Fits In Your Pocket - A Tool Set For In-The-Field Gun Repairs & Tweaks

The ultra-compact MultiTasker Twist fits in your pocket like a pen and packs a bunch of critical maintenance/adjustment tools for your "modern sporting rifle" and other guns. It's built around a versatile 1/4" hex driver socket for the 10 bits that come with the Twist: 3/16" & 3/32" slotted, No. 1 Phillips, T10 & 15 Torx, and 3/16", 9/64", 1/8", 7/64" & 3/32" hex. (Bits are stored in the included rubber carrier strip.) You also get a 3/32" pin punch, a radial carbon scraper, heavy duty brass dental pick, an Aimpoint red dot sight turret adjuster, M16A2 style FSP adjustment tool, and a pocket clip that doubles as a light-duty slotted screwdriver. Built to last, too - housing of machined 6061 T6 aluminum, with a durable Type III military-style hardcoat anodized finish.

# MULTITASKER TWIST Safety Instruction Guide

## Introduction

Thank you for choosing the MULTITASKER TWIST. This ultracompact multitool is designed for maintenance and adjustment of modern sporting rifles and other firearms. To ensure your safety and the optimal performance of the MULTITASKER TWIST, please read the following safety instructions carefully.

## General Safety Guidelines

- Always use the MULTITASKER TWIST as intended, following the manufacturer's instructions.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool before each use to ensure it is in good working condition.
- Use appropriate personal protective equipment (PPE) when using the tool, such as safety glasses and gloves.
- Store the tool in a safe place when not in use to prevent accidents.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Sharp Edges:** The MULTITASKER TWIST includes tools with sharp edges. Handle with care to avoid cuts or injuries.
- **Pin Punch:** Use the 3/32" pin punch carefully, ensuring it is used for its intended purpose to prevent injury.
- **Carbon Scraper:** When using the radial carbon scraper, ensure that you are applying the correct pressure to avoid slipping.
- **Screwdriver Function:** The pocket clip functions as a lightduty slotted screwdriver. Ensure you are using it on appropriate screws to avoid damage or injury.
- **Hex Driver Use:** When using the hex driver, ensure that the bits are securely attached to avoid accidents.

## Instructions for Installation and Usage

### 1. Inspect the Tool:

- Before use, check that all components are present and in good condition.
- Ensure that the bits are securely stored in the rubber carrier strip.

### 2. Using the Hex Driver:

- Select the appropriate bit for your application.
- Insert the bit into the 1/4" hex driver socket until it clicks into place.
- Use the hex driver to tighten or loosen screws as needed.

### 3. Using the Pin Punch:

- Align the pin punch with the pin you wish to remove.
- Apply steady pressure until the pin is dislodged.

### 4. Using the Carbon Scraper:

- Hold the scraper at an angle against the surface to be cleaned.
- Apply gentle pressure to remove carbon deposits.

### 5. Using the Screwdriver Function:

- Use the pocket clip as a screwdriver on suitable screws.
- Ensure that you are applying the correct torque to avoid stripping the screw head.

#### **6. Storage:**

- After use, clean the MULTITASKER TWIST to remove any debris.
- Store the tool in a dry place, away from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of the MULTITASKER TWIST in accordance with local regulations.
- Do not dispose of the tool in household waste. Check for local recycling programs that accept metal tools.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the MULTITASKER TWIST, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety instructions, you can ensure a safe and effective experience while using the MULTITASKER TWIST. Thank you for your attention to safety!
