

# AR-15 BCMGUNFIGHTER™ PNT TRIGGER - BRAVO COMPANY PNT TRIGGER

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

The BCM® PNT™ Trigger and Hammer are built to surpass Mil-Spec standards without compromising the reliability of the USGI TDP(Technical Data Package). Each PNT Trigger and Hammer is heat treated in a three step process and hardened for optimal grain structure alignment, surpassing commercial "equivalents" in both durability and performance. To create a perfect alignment and smooth trigger pull, the BCM PNT Trigger and Hammer bores are honed to perfection and the impact resistant trigger and hammer pins are centerless ground to a fine finish with superior tolerances. The BCM Disconnecter is stamped from 1070 material and fine blanked for cleaner edges and double disc ground to precise size to ensure consistent and reliable operation. Hand polished sear engagement surfaces reduce friction an additional 300% beyond the Mil-Spec. An electroless nickel finish reduces felt creep and cleans up the grittiness commonly associated with the press in a Mil-Spec trigger. Teflon particles embedded in the nickel, further reduce friction in the interface and double down on a finish that is corrosion, rust and oxidation resistant.

**Will not work with Colt Large Pin Hammer & Trigger Hole Lower.**

## Attributes

- Name: [BRAVO COMPANY PNT TRIGGER](#)
- Manufacturer: [BRAVO COMPANY](#)
- Product no.: 100018632
- Mfr. No.: BCM-PNT-TA1
- Style: Single-Stage
- Weapon type: AR-15
- Delivery weight: 0.045kg
- Shipping height: 38mm
- Shipping width: 108mm
- Shipping length: 178mm
- UPC: 812526020451

## Item details

Made in USA

US export classification: 0A501.c

# Consumer Safety Instruction Guide for AR15 BCMGUNFIGHTER™ PNT Trigger

## Introduction

Thank you for choosing the AR15 BCMGUNFIGHTER™ PNT Trigger. This guide provides essential safety information to ensure the safe use of this product. Please read it carefully before installation and use.

## General Safety Guidelines

- Follow all local laws and regulations regarding firearm accessories.
- Always treat the trigger and firearm with respect and caution.
- Keep the trigger and firearm out of reach of children and unauthorized users.
- Regularly inspect the trigger for signs of wear or damage.
- Use only compatible parts and accessories with the BCMGUNFIGHTER™ PNT Trigger.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Handling:** Always ensure that the firearm is unloaded before handling or installing the trigger.
- **Installation:** Only install the trigger in a welllit area and follow the manufacturer's instructions carefully.
- **Testing:** After installation, conduct a function check to ensure proper operation before use.
- **Environment:** Use the trigger in a safe environment, free from distractions and hazards.
- **Maintenance:** Regularly clean and maintain the trigger to ensure optimal performance and safety.
- **User Training:** Ensure that all users are trained in safe firearm handling and operation.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools for installation, including a punch tool and a hammer.
- Ensure that the firearm is completely unloaded and pointed in a safe direction.

### 2. Installation Steps:

- Remove the existing trigger from the firearm following the manufacturer's instructions.
- Align the BCMGUNFIGHTER™ PNT Trigger with the trigger housing.
- Insert the trigger pin and gently tap it into place using the punch tool and hammer.
- Install the hammer in the same manner, ensuring that all components are properly seated.
- Install the disconnecter and ensure it is functioning correctly.

### 3. Function Check:

- After installation, perform a function check:
  - Ensure the safety is operational.
  - Check the trigger pull and reset.
  - Verify that the hammer releases when the trigger is pulled.

### 4. Usage:

- When using the firearm, always keep your finger off the trigger until you are ready to shoot.
- Maintain proper shooting stance and grip to ensure control of the firearm.

## **Disposal Instructions**

- Dispose of the product in accordance with local waste management regulations.
- Do not dispose of the trigger in regular household waste.
- If the trigger is damaged or no longer functional, contact a qualified gunsmith for safe disposal options.

## **Contact Information for Further Support**

For any safety inquiries or further information about the AR15 BCMGUNFIGHTER™ PNT Trigger, please refer to the manufacturer's website or contact their support team.

By following these guidelines, you can ensure the safe and effective use of your AR15 BCMGUNFIGHTER™ PNT Trigger. Thank you for prioritizing safety!
