

# AR-15 MOE SL-S STOCK COLLAPSIBLE MIL-SPEC - MAGPUL MOE SL-S COLLAPSIBLE MIL-SPEC CARBINE STOCK FOR AR-15 ODG

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The storage-capable version of the flagship Magpul MOE SL™ carbine stock, the MOE SL-S (Storage) Stock is a direct replacement buttstock for AR15/M4 carbines. The sleek profile, dual-side release latches, and waterproof battery tubes make it the slimmest storage tube stock available. The SL-S provides an enhanced cheek weld and true, O-ring sealed, 10m waterproof battery storage, but fits it into the narrowest package possible to allow a more upright head position and minimize bulk. A rolled toe and angled rubber butt-pad are optimized for use with body armor, and an ambidextrous QD sling swivel socket is included. A unique leaf-spring tension system provides a solid fit on mil-spec receiver extensions, with slightly less friction than the original SL.

## Attributes

- Name: [MAGPUL MOE SL-S COLLAPSIBLE MIL-SPEC CARBINE STOCK FOR AR-15 ODG](#)
- Manufacturer: [MAGPUL](#)

# Safety Instruction Guide for the AR15 MOE SLS Stock

## Introduction

Thank you for choosing the AR15 MOE SLS Collapsible MilSpec Stock by Magpul. This product is designed to enhance your firearm's performance while ensuring safety during use. Please read this safety instruction guide thoroughly to understand how to use, install, and dispose of the product safely.

## General Safety Guidelines

- Ensure that the firearm is unloaded before installing or adjusting the stock.
- Always handle the firearm in a safe manner, ensuring it is pointed in a safe direction.
- Keep the stock and firearm out of reach of children and unauthorized users.
- Regularly inspect the stock for any signs of wear or damage before use.
- Do not modify the stock or use it in a manner that is not intended by the manufacturer.
- Follow all local laws and regulations regarding firearms and accessories.

## Specific Safety Precautions for Use

- Use the AR15 MOE SLS Stock only with AR15/M4 carbines.
- Ensure that the stock is properly secured to the receiver extension to avoid accidental dislodgment.
- Be cautious when using the stock with body armor; ensure that it does not interfere with the armor's fit or function.
- Avoid exposing the stock to extreme temperatures, moisture, or chemicals that may compromise its integrity.
- If you experience any issues with the stock, cease use immediately and contact a qualified professional for assistance.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing buttstock from the receiver extension by loosening the retention screw.
- Align the AR15 MOE SLS Stock with the receiver extension and slide it into place.
- Secure the stock by tightening the retention screw until snug, ensuring a solid fit.
- Test the stock for stability before use.

### 2. Usage

- Adjust the stock to your preferred length of pull by using the dualside release latches.
- Ensure that the stock is locked in place before firing.
- Utilize the ambidextrous QD sling swivel socket for attaching slings as needed.
- Store batteries in the waterproof battery tubes when not in use to ensure they remain dry and functional.

## Disposal Instructions

- Dispose of the AR15 MOE SLS Stock in accordance with local regulations regarding plastic and firearm accessories.
- Do not dispose of the stock in regular household waste.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or concerns about the AR15 MOE SLS Stock, please refer to the manufacturer's website or contact an authorized dealer. Always ensure that you are following the latest safety guidelines and product updates.

Thank you for prioritizing safety while using your AR15 MOE SLS Stock. Your responsible actions contribute to a safer environment for all firearm users.
