AR15/308 AR PRS GEN 3 Precision Stock Safety Instructions

Introduction

Thank you for choosing the AR15/308 AR PRS GEN 3 Precision Stock. This product is designed for precision shooting and offers adjustable features for enhanced performance. However, it is essential to follow the safety guidelines and instructions outlined in this manual to ensure safe and effective use.

General Safety Guidelines

- **Product Safety:** Ensure safe use by following all instructions and safety precautions. This product is designed for use with AR15/M16 and AR10/SR25 platforms only.
- **Enhanced Recalls:** Stay informed about any recall notices. If you receive a recall notification, stop using the product immediately and follow the instructions provided.
- **Online Shopping:** If purchased online, ensure the seller complies with safety requirements. Verify the authenticity of the product.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please contact your local regulatory authority or the EU's safety contact point.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety and potential hazards.

Specific Safety Precautions for Use

- **Installation:** Ensure the stock is installed on a compatible riflelength receiver extension. Improper installation may lead to malfunction or injury.
- **Adjustment:** Use the toolless length of pull and cheek piece height adjustment carefully. Ensure all adjustments are secure before use.
- **Sling Mounts:** Use the front and rear rotationlimited QD sling swivel mounts as intended. Ensure the sling is securely attached to prevent accidents.
- **Shooting Position:** Maintain a stable shooting position to control recoil effectively. The rubber buttpad provides positive shoulder purchase; however, ensure it is properly adjusted.
- **Maintenance:** Regularly inspect all components for wear and damage. Replace any damaged parts immediately to maintain safety and functionality.
- **Storage:** Store the stock in a safe, dry place when not in use. Ensure it is out of reach of children and unauthorized users.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing stock from the riflelength receiver extension.
- Align the PRS GEN3 stock with the receiver extension and slide it into place.
- Secure the stock according to the manufacturer's specifications. Ensure it is firmly attached.

2. Adjusting Length of Pull:

- Locate the aluminum detent knobs on the stock.
- Turn the knobs to adjust the length of pull to your preference.
- Ensure the knobs click into place for secure adjustment.

3. Adjusting Cheek Piece Height:

- Locate the cheek piece adjustment knob.
- Turn the knob to raise or lower the cheek piece to a comfortable position.
- Confirm that the cheek piece is locked in place before use.

4. Using the Sling Mounts:

- Attach the sling swivel to the designated QD sling mount.
- Ensure the sling is securely fastened and does not interfere with shooting.

5. Shooting:

- Position the rifle securely against your shoulder with the rubber buttpad in contact with your shoulder.
- Maintain a firm grip and stance while aiming and shooting.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer usable, ensure it is disposed of in a way that prevents accidental use by others.
- Recycle any metal or plastic components if possible, following local recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the AR15/308 AR PRS GEN 3 Precision Stock, please consult your local retailer or manufacturer's website for support and additional resources.

By following these safety instructions, you can ensure a safe and enjoyable experience with your AR15/308 AR PRS GEN 3 Precision Stock. Always prioritize safety and responsible use.
