

WALTHER PPQ TRIGGER, FLAT FACED, FORWARD SET - APEX TACTICAL SPECIALTIES INC WALTHER PPQ TRIGGER, FLAT FACED, FORWARD SET

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

The Walther PPQ Flat-Faced Forward Set Trigger and Apex Tuned Trigger Bar is a direct drop-in replacement of the factory polymer trigger and factory trigger bar. The Apex design reduces pre-travel, overall trigger travel and trigger reset. It provides a smooth uptake and reset while delivering a crisp trigger break. Overall trigger travel is reduced by approximately 40% over the factory trigger and trigger bar. Direct drop-in replacement of factory polymer trigger Smooths uptake and reset Reduces trigger pre-travel, overall travel and reset distance Crisp trigger break Center mounted pivoting safety maintains factory safety values For use in both the PPQ M1 and M2 models chambered in 9mm, 40S&W and 45ACP.

WALTHER PPQ FlatFaced Forward Set Trigger

Safety Instructions

Introduction

Thank you for choosing the WALTHER PPQ FlatFaced Forward Set Trigger by Apex Tactical Specialties Inc. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new trigger. Please read this document carefully before installation and use.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the trigger is installed correctly before using the firearm.
- Keep the firearm pointed in a safe direction at all times.
- Store the trigger and firearm securely when not in use, away from children and unauthorized users.
- Regularly inspect the trigger for wear or damage before each use.
- Follow all local laws and regulations regarding firearm modifications and safety.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before beginning installation.
- Do not attempt to use the trigger if it shows any signs of damage or malfunction.
- Only use the trigger with compatible models: PPQ M1 and M2 chambered in 9mm, 40S&W, and 45ACP.
- Be aware of the reduced trigger travel and reset distance, as it may affect your shooting technique.
- Always use protective eyewear when handling firearms.

Instructions for Installation and Usage

Installation

1. **Prepare Your Workspace:** Ensure you are in a clean, welllit area free from distractions.
2. **Unload the Firearm:** Verify that the firearm is completely unloaded.
3. **Remove the Factory Trigger:** Follow the manufacturer's instructions for disassembling the trigger mechanism.
4. **Install the Apex Trigger:**
 - Align the Apex Tuned Trigger Bar with the trigger housing.
 - Carefully insert the trigger into the trigger mechanism.
 - Ensure that the centermounted pivoting safety is correctly positioned.
5. **Reassemble the Firearm:** Follow the manufacturer's instructions to reassemble the firearm.
6. **Test the Trigger:** Before live firing, conduct a function check to ensure proper operation.

Usage

- Familiarize yourself with the trigger's operation and characteristics before live firing.
- Practice safe handling and shooting techniques.
- Always be aware of your surroundings and the target area when shooting.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the trigger in regular household waste. Check for local hazardous waste disposal options.

Contact Information for Further Support

For any questions or concerns regarding the WALTHER PPQ FlatFaced Forward Set Trigger, please reach out to your point of purchase or refer to the manufacturer's website for additional resources.

Thank you for prioritizing safety in your firearm usage. Enjoy your new trigger responsibly!
