SAFETY SELECTOR KIT, AMBIDEXTROUS, BLACK

User Safety Instructions

Introduction

Thank you for choosing the SAFETY SELECTOR KIT, AMBIDEXTROUS, BLACK by Seekins Precision. This product is designed to enhance the safety and functionality of your AR15 firearm. It is important to follow the safety instructions outlined in this guide to ensure safe and effective use of the selector kit.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the selector kit is installed correctly before using the firearm.
- Regularly inspect the selector kit for any signs of wear or damage.
- Store your firearm and accessories in a secure location, out of reach of children and unauthorized users.
- Familiarize yourself with local laws and regulations regarding firearm modifications and safety equipment.

Specific Safety Precautions for Use

- Do not use the SAFETY SELECTOR KIT with the Hipertouch trigger.
- Ensure that the selector lever is fully engaged in the safe or fire position before handling the firearm.
- Avoid using excessive force when operating the selector lever.
- Do not attempt to modify or alter the selector kit in any way.
- Always ensure that the firearm is unloaded before installing or removing the selector kit.

Instructions for Installation and Usage

Installation

1. **Safety First:** Ensure that the firearm is completely unloaded and pointed in a safe direction.
2. **Remove Existing Selector:** Use a suitable tool to remove the existing MilSpec selector switch from the firearm.
3. **Install Selector Kit:**
 - Choose between the 90degree standard throw lever or the 60degree short throw lever based on your preference.
 - Align the selected lever with the selector hole on the firearm.
 - Insert the selector kit and ensure it is seated properly.
4. **Test Functionality:** After installation, test the selector kit to ensure it operates smoothly and engages fully in both the safe and fire positions.

Usage

- To switch between safe and fire modes, move the selector lever to the desired position.
- Always check the firearm's chamber before handling or operating the selector kit.
- Regularly practice using the selector kit to ensure familiarity and confidence during operation.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the selector kit becomes damaged beyond repair, dispose of it in a manner that prevents unauthorized use.

- Do not dispose of the selector kit in regular household waste. Follow local electronic waste disposal guidelines if applicable.

Contact Information for Further Support

For any inquiries regarding the SAFETY SELECTOR KIT, AMBIDEXTROUS, BLACK, including safety concerns or product support, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the SAFETY SELECTOR KIT, AMBIDEXTROUS, BLACK. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.
