

LEE COLLET 2-DIE NECK SIZER SETS - LEE PRECISION 300 AAC BLACKOUT COLLET 2-DIE NECK SIZER SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

There is no loading system that will load more accurate ammunition than Lee Collet Dies. A collet squeezes the case neck against a precision mandrel for a perfect fit with minimum run-out. No lube case is needed. Cases last ten times longer, so the savings on only 35 cases will pay for the dies. Maximum accuracy is usually achieved by seating the bullet out far enough to touch or almost touch the rifling. This provides the shot start pressure normally supplied by the crimp. That's why a dead length bullet seater is included to complete the most accurate reloading system ever made. These dies size only the neck to preserve the perfect fit of fire forming. Only reload cases that have been fired in your gun. Not recommended for autoloaders, slide or lever action guns.

Safety Instruction Guide for LEE COLLET 2DIE NECK SIZER SET

Introduction

Thank you for choosing the LEE COLLET 2DIE NECK SIZER SET for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the dies to ensure a safe reloading experience.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for use and maintenance.
- Keep the dies out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear.
- Use personal protective equipment (PPE) such as safety glasses when reloading.
- Report any unsafe products and accidents to the relevant authorities.
- Stay informed about safety recalls and updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Only use the LEE COLLET 2DIE NECK SIZER SET with cases that have been fired in your firearm.
- Do not use the dies with autoloaders, slide action, or lever action firearms.
- Ensure that your workspace is clean and free from distractions while reloading.
- Avoid using excessive force when operating the dies to prevent injury or damage.
- Always check that the dies are correctly set up before beginning the reloading process.
- Ensure that the collet is properly adjusted to prevent oversizing or undersizing of the case neck.
- Be aware of the maximum accuracy achieved by seating the bullet to touch or almost touch the rifling.

Instructions for Installation and Usage

1. Setup:

- Remove the LEE COLLET 2DIE NECK SIZER SET from the packaging.
- Inspect the dies for any visible damage or defects.
- Ensure that all components are included as per the manufacturer's specifications.

2. Installation:

- Install the sizing die into your reloading press according to the press manufacturer's instructions.
- Secure the die firmly to prevent movement during operation.
- Adjust the die to the desired height for proper case sizing.

3. Reloading Process:

- Prepare your fired cases by cleaning and inspecting them for any defects.
- Insert a case into the die and lower the press handle slowly to size the neck.
- Use the dead length bullet seater included in the set to ensure maximum accuracy.
- Check the fit of the bullet in the case to ensure proper seating.

4. PostReloading:

- Inspect each reloaded cartridge for consistency and defects.

- Store reloaded ammunition in a safe and secure location.

Disposal Instructions

- Dispose of any damaged or worn components of the LEE COLLET 2DIE NECK SIZER SET in accordance with local regulations.
- Do not dispose of the dies in regular household waste. Check for local recycling or hazardous waste disposal options.
- Ensure that all reloading materials, including spent primers and powder, are disposed of safely and responsibly.

Contact Information for Further Support

For any questions or concerns regarding the LEE COLLET 2DIE NECK SIZER SET, please refer to the manufacturer's contact information provided in the product packaging. Ensure you have the product details handy for a more efficient response.

By following these safety guidelines and instructions, you can enjoy a safe and effective reloading experience with your LEE COLLET 2DIE NECK SIZER SET. Thank you for prioritizing safety in your reloading activities.
