

# RIFLE FACTORY CRIMP DIES - LEE PRECISION 458 SOCOM FACTORY CRIMP DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Lee Factory Crimp Die crimps the bullet in place more firmly than any other tool Tests demonstrate that even bullets which have no crimp groove will shoot more accurately A firm crimp improves accuracy because pressure must build to a higher level before the bullet begins to move. This higher start pressure insures a more uniform pressure curve and less velocity variation Features a collet that squeezes the case mouth into the crimping groove for a firm hold Shellholder not included Fits all 7/8"-14 reloading presses

## Attributes

- Name: [LEE PRECISION 458 SOCOM FACTORY CRIMP DIE](#)
- Manufacturer: [LEE PRECISION](#)
- Product no.: 100018906

# Safety Instruction Guide for Lee Precision 458 SOCOM Factory Crimp Die

## Introduction

Thank you for choosing the Lee Precision 458 SOCOM Factory Crimp Die. This product is designed to provide a firm crimp for improved accuracy in your ammunition. To ensure safe and effective use of this product, please follow the safety instructions outlined in this guide, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- **Product Safety:** Always ensure safe handling and use of the crimp die. Familiarize yourself with the product before use.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Check the EU's Safety Gate platform for updates.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements applicable to physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point for assistance.
- **Rapid Alerts:** Regularly check for alerts regarding unsafe products through the Safety Gate system.

## Specific Safety Precautions for Use

- **Read the Manual:** Always read the product manual before use.
- **Use Appropriate Equipment:** Ensure that the crimp die is compatible with your reloading press (7/8"14).
- **Check for Damage:** Inspect the die for any signs of damage or wear before use. Do not use if damaged.
- **Wear Safety Gear:** Use appropriate safety gear, including eye protection, when operating reloading equipment.
- **Avoid OverCrimping:** Do not apply excessive force when crimping to prevent damage to the bullet or case.
- **Store Properly:** Keep the crimp die in a dry, safe place when not in use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is securely mounted.
- Insert the crimp die into the press and tighten it according to the manufacturer's instructions.
- Attach the appropriate shellholder (not included) for the 458 SOCOM cartridge.

### 2. Usage:

- Prepare your cases and ensure they are clean and free of obstructions.
- Insert the bullet into the case mouth.
- Adjust the crimp die to the desired depth for crimping.
- Operate the press to apply the crimp. Ensure a firm hold without overcrimping.
- Inspect the crimped bullet for uniformity and proper seating.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Follow local guidelines for hazardous materials if applicable.

## **Contact Information for Further Support**

For additional assistance or inquiries regarding the Lee Precision 458 SOCOM Factory Crimp Die, please refer to the manufacturer's website or contact their support team through the provided channels.

By following these guidelines, you can ensure safe and effective use of the Lee Precision 458 SOCOM Factory Crimp Die. Thank you for your attention to safety.
