Safety Instruction Guide for COLLET NECK SIZER UNDERSIZE MANDRELS LEE PRECISION 6.5MM (.262") UNDERSIZE MANDREL

Introduction

Thank you for choosing the COLLET NECK SIZER UNDERSIZE MANDRELS from LEE PRECISION. This product is designed to enhance your reloading experience by providing a precise fit for your bullets. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the product as intended and in accordance with these guidelines.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for damage before use. Do not use if damaged.
- Use appropriate protective equipment, such as safety glasses and gloves, when handling the product.
- Follow local regulations and laws regarding ammunition and reloading practices.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the collet die is compatible with your specific caliber and bullet type.
- Avoid overtightening the mandrel, as this may cause damage to the bullet or the die.
- Always work in a wellventilated area to minimize exposure to any potential fumes or dust.
- Do not exceed the recommended specifications for the mandrel size. Using an incorrect size may lead to unsafe reloading practices.
- Keep hands and other body parts clear of the die and mandrel during operation to avoid injury.

Instructions for Installation and Usage

1. Installation of the Mandrel:

- Ensure the collet die is securely mounted in your reloading press.
- Select the appropriate undersized mandrel (0.002" undersized) for your specific needs.
- Insert the mandrel into the collet die until it is firmly in place.

2. Using the Collet Neck Sizer:

- Prepare your cases by ensuring they are clean and free of debris.
- Insert the case into the collet die, ensuring it is properly aligned.
- Slowly and steadily apply pressure to the reloading press handle to size the neck of the case.
- Remove the case from the die and inspect for proper fit with the bullet.

3. Adjusting for Fit:

- If a tighter fit is desired, consider using the undersized mandrels available for purchase.
- Test the fit of the bullet in the sized case before proceeding with loading.

Disposal Instructions

- Dispose of any damaged or unusable parts in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

- Consider recycling options for metal components where applicable.

Contact Information for Further Support

For any questions or concerns regarding the COLLET NECK SIZER UNDERSIZE MANDRELS, please refer to the product packaging for contact details or consult the manufacturer's website for additional resources.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you have a successful and enjoyable reloading experience.
