# **Safety Instruction Guide for COLLET NECK SIZER UNDERSIZE MANDRELS LEE PRECISION 30 CAL/7.5MM (.3055") UNDERSIZE MANDREL**

## **Introduction**

Thank you for choosing the COLLET NECK SIZER UNDERSIZE MANDRELS from LEE PRECISION. This product is designed to enhance your reloading experience by providing a reliable means of sizing your bullets. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## **General Safety Guidelines**

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check the equipment for any signs of wear or damage before use.
- In case of any malfunction or damage, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the relevant authorities.
- Stay updated on recall notices through the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using this product.
- Ensure that your workspace is clean, dry, and welllit to prevent accidents.
- Do not exceed the recommended sizing specifications for your bullets.
- Use only compatible cases with average hardness to ensure proper fit and avoid damage to the mandrel.
- If a tighter fit is desired, order the appropriate undersized mandrels as specified.
- Avoid using excessive force when sizing to prevent injury or damage to the product.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure that your reloading press is clean and in good working condition.
- Select the appropriate undersized mandrel based on your bullet sizing needs.
- Insert the mandrel into the collet die according to the manufacturer's instructions.
- Tighten the collet die securely to ensure proper grip on the mandrel.

### **2. Usage:**

- Prepare your cases by cleaning and inspecting them for damage.
- Insert the bullet into the case and position it against the mandrel.
- Adjust the reloading press to apply a light press fit to the bullet.
- For a tighter fit, replace the mandrel with the desired undersized option (0.002" undersized).
- Carefully remove the sized bullet and inspect it for any irregularities before use.

### **3. PostUsage Care:**

- Clean the mandrel and collet die after each use to prevent residue buildup.
- Store the mandrel in a dry and safe location to protect it from damage.
- Regularly inspect the mandrel for signs of wear and replace if necessary.

## **Disposal Instructions**

- Dispose of any damaged or worn mandrels in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Check with your local authorities for proper recycling or disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the COLLET NECK SIZER UNDERSIZE MANDRELS, please refer to the manufacturer's contact details provided with the product packaging.

Thank you for following these safety instructions. Your safety is our priority, and we hope you enjoy using your new reloading equipment responsibly.
