AUTODISK POWDER RIFLE CHARGING DIE SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the AUTODISK POWDER RIFLE CHARGING DIE from LEE PRECISION. This product is designed to assist in charging small capacity rifle cases when used with the Auto Disk Powder Measure or Pro Auto Disk Powder Measure. To ensure safe and effective use, please carefully read and follow these safety instructions.

General Safety Guidelines

- Always ensure the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any damage or malfunction, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the relevant authorities.
- Stay updated on recall notices through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the recommended caliber specifications (22 caliber and up to .308 Win).
- Avoid using the die to expand the case mouth, as this can lead to improper functioning.
- Always wear appropriate safety gear, such as eye protection, when using this product.
- Ensure your workspace is clean and free of obstructions to prevent accidents.
- Use only compatible powder measures with this charging die to avoid malfunctions.
- Follow all local laws and regulations regarding the use and storage of reloading equipment.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is securely mounted on a stable surface.
- Attach the AUTODISK POWDER RIFLE CHARGING DIE to the reloading press according to the manufacturer's instructions.
- Adjust the die to the desired position for optimal operation.

2. Usage:

- Prepare your rifle cases by ensuring they are clean and free from obstructions.
- Set the Auto Disk Powder Measure or Pro Auto Disk Powder Measure according to the desired powder charge.
- Insert the case into the die, ensuring it is properly aligned.
- Operate the press to charge the case, following the specific instructions for your powder measure.
- After charging, check each case to ensure proper powder levels before proceeding with further reloading steps.

Disposal Instructions

- Dispose of any unused or excess powder in accordance with local regulations.
- Do not dispose of the product in regular household waste. Follow local guidelines for disposal of reloading equipment and materials.
- Consider recycling options for any recyclable components of the product.

Contact Information for Further Support

For any questions or concerns regarding the AUTODISK POWDER RIFLE CHARGING DIE, please refer to the manufacturer's contact information provided with your product packaging. It is important to reach out for assistance if you encounter any issues or have safety inquiries.

Thank you for your attention to these safety instructions. Your safety is our priority, and we wish you a successful and enjoyable reloading experience.
