# DELUXE POWER QUICK TRIM Safety Instruction Guide

## Introduction

Thank you for choosing the DELUXE POWER QUICK TRIM by LEE PRECISION. This product is designed to assist you in trimming and chamfering quickly and efficiently. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the product is suitable for your specific needs before use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when operating the product.
- Be aware of your surroundings and ensure that the work area is clear of obstacles and hazards.
- In case of any malfunction or failure, discontinue use immediately and seek professional assistance.

## Specific Safety Precautions for Use

- Do not use the DELUXE POWER QUICK TRIM with any incompatible tools or accessories.
- Ensure that the hex shank is securely attached to the cordless screwdriver or drill before use.
- Avoid wearing loose clothing or jewelry that could get caught in the product during operation.
- Do not exceed the manufacturer's recommended speed settings for the cordless screwdriver or drill.
- Always keep hands and fingers clear of the cutting area while the product is in operation.
- If the product becomes jammed, turn off the power source before attempting to clear the blockage.
- Do not attempt to modify or alter the product in any way.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the cordless screwdriver or drill is powered off and unplugged.
- Insert the hex shank of the DELUXE POWER QUICK TRIM into the chuck of the cordless screwdriver or drill.
- Tighten the chuck securely to hold the hex shank in place.

### 2. Using the Product:

- Select the appropriate Quick Trim die for your cartridges.
- Attach the Quick Trim die to the DELUXE POWER QUICK TRIM adapter.
- Position the cartridge securely in the chip catcher.
- Power on the cordless screwdriver or drill and begin trimming by applying gentle pressure.
- Monitor the trimming process closely and adjust your grip as necessary to maintain control.
- Once trimming is complete, power off the tool and carefully remove the cartridge.

## Disposal Instructions

- Dispose of the DELUXE POWER QUICK TRIM in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste.
- Consider recycling components where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the DELUXE POWER QUICK TRIM, please refer to the manufacturer's contact information provided in the product packaging or visit the manufacturer's website for further assistance.

By following these guidelines, you can ensure a safe and effective experience with the DELUXE POWER QUICK TRIM. Thank you for your attention to safety, and enjoy your trimming experience!
