AUTODRUM POWDER MEASURE SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the LEE Precision AutoDrum Powder Measure. This product is designed to accurately and automatically dispense powder for your favorite cartridges. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Use the product only for its intended purpose as described in this manual.
- If you notice any unusual behavior or malfunctions, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Ensure the product is placed on a stable and secure surface to prevent tipping or accidents.
- Do not exceed the recommended powder charge weights (1 to 80 grains).
- Avoid direct contact with powders and ensure proper ventilation when using the product.
- Always wear appropriate safety gear, including eye protection and a dust mask, when handling powders.
- Do not attempt to modify or repair the product yourself. Contact a qualified professional for repairs.

Instructions for Installation and Usage

1. Installation:

- Place the AutoDrum Powder Measure on a flat, stable surface.
- Ensure that the Quick Change hopper is securely attached to the drum.
- Verify that the on/off valve is in the off position before filling the hopper with powder.

2. Usage:

- Adjust the drum to the desired charge weight by turning the adjustment knob.
- Load the hopper with the appropriate powder for your cartridge.
- Actuate the measure by inserting a case into the drum and pulling the handle.
- After dispensing, check the charge weight using a scale to ensure accuracy.
- Always return the on/off valve to the off position when not in use.

Disposal Instructions

- Dispose of any unused powders and the product itself in accordance with local regulations.
- Do not dispose of powders in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and operation of the LEE Precision AutoDrum Powder Measure, please refer to the manufacturer's contact information provided in the product packaging.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your LEE Precision AutoDrum Powder Measure. Always prioritize safety and adhere to the guidelines provided to protect yourself and others. Thank you for your attention to these important safety measures.
