# Safety Instruction Guide for Geissele Automatics Super Charging Handle for AR15/M16 DDC

## Introduction

Thank you for choosing the Geissele Automatics Super Charging Handle for your AR15/M16. This guide provides essential safety instructions to ensure the safe and effective use of your charging handle. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the manufacturer's instructions.
- Always handle firearms safely and responsibly. Follow all applicable laws and regulations regarding firearm use.
- Keep the charging handle out of reach of children and unauthorized users.
- Regularly inspect the charging handle for any signs of wear or damage. Do not use if damaged.
- In case of any safety concerns or product issues, report them to the appropriate authorities.

## Specific Safety Precautions for Use

- Always verify that your firearm is unloaded before installing or using the charging handle.
- Do not attempt to modify the charging handle. Modifications can lead to malfunctions and safety hazards.
- Use the charging handle only with compatible firearms. This product is designed specifically for the AR15/M16 platform.
- When using the charging handle, ensure that your fingers and other body parts are clear of the action to prevent injury.
- If you experience any difficulty while using the charging handle, stop using it immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing charging handle by pulling it back and lifting it out of the receiver.
- Align the new Geissele Super Charging Handle with the receiver. Insert the handle into the receiver's charging handle slot.
- Push the handle forward until it is fully seated.
- Test the charging handle by pulling it back and releasing it to ensure it operates smoothly.

### 2. Usage:

- To charge the firearm, grasp the charging handle firmly and pull it back to the rear. Ensure that you are using proper grip techniques.
- Release the charging handle to allow it to return to its forward position.
- Always ensure that the firearm is pointed in a safe direction while charging.

## Disposal Instructions

- Dispose of the charging handle according to local regulations.
- If the product is damaged or no longer in use, do not discard it in regular waste. Check for recycling programs or hazardous waste disposal options in your area.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or product concerns, please reach out to the designated EU contact point as indicated on the product packaging or documentation.

By following these safety instructions, you can ensure a safer experience with your Geissele Automatics Super Charging Handle. Always prioritize safety and responsible firearm handling. Thank you for your attention and commitment to safety.
