

# AR-15/M16 MK 4 SUPER MODULAR RAILS, M-LOK - GEISSELE AUTOMATICS MK4 13.5" M-LOK SUPER MODULAR RAIL DDC

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The Super Modular Rail MK4 M-LOK™ is Geissele's ultra-lightweight M-LOK option. These rails are purpose-built and feature integrated M1913 picatinny rail sections at the fore of the rail in the 3, 6 and 9 o'clock positions. Maximum venting for heat dissipation also dramatically reduces the rails overall weight, while maintaining its same strong and rigid platform. The MK4 M-LOK rail features M-LOK slots at the 3, 6 and 9 o'clock positions as well as the upper 45° quadrants. This allows the user to keep the weight on the rail system down, while keeping the modularity and versatility to attach accessories as necessary. Barrel nut wrench & gas block not included.

## Attributes

- Name: [GEISSELE AUTOMATICS MK4 13.5" M-LOK SUPER MODULAR RAIL DDC](#)
- Manufacturer: [GEISSELE AUTOMATICS](#)
- Product no.: 100018961
- Mfr. No.: 05-278S
- Colour: DDC
- Length: 13.5
- Material: Aluminum
- Style: M-LOK
- Weapon type: AR-15
- Delivery weight: 0.735kg
- Shipping height: 114mm
- Shipping width: 114mm
- Shipping length: 381mm
- UPC: 854014005724

## Item details

Made in USA

US export classification: 0A501.y.1

# Safety Instruction Guide for AR15/M16 MK 4 Super Modular Rails, MLOK

## Introduction

Thank you for choosing the AR15/M16 MK 4 Super Modular Rails, MLOK by Geissele Automatics. This guide provides essential safety information and instructions for the safe installation and use of your product. Please read this guide carefully to ensure safe handling and operation.

## General Safety Guidelines

- Ensure that all safety instructions are followed during installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the rail for any signs of wear, damage, or defects.
- Only use accessories that are compatible with MLOK and the rail system.
- Always wear appropriate safety gear when handling firearms.

## Specific Safety Precautions for Use

- Do not exceed the recommended weight limits for accessories attached to the rail.
- Ensure that the rail is securely installed before use.
- Avoid using the rail in conditions that may compromise its structural integrity, such as extreme temperatures or corrosive environments.
- Be aware of your surroundings when using a firearm equipped with this rail.
- Always follow local laws and regulations regarding firearm use and modifications.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a barrel nut wrench (not included) and any required accessories.
- Ensure that the firearm is unloaded and pointed in a safe direction.

### 2. Installation:

- Remove the existing handguard from your firearm according to the manufacturer's instructions.
- Align the MK4 MLOK rail with the upper receiver of the firearm.
- Securely attach the rail using the provided screws and follow the torque specifications as outlined in the firearm's manual.
- Ensure that the rail is firmly attached and does not move.

### 3. Usage:

- Attach accessories to the rail using the MLOK slots at the 3, 6, and 9 o'clock positions, as well as the upper 45° quadrants.
- Regularly check the tightness of all accessories and the rail itself during use.

## Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- If the product is damaged beyond repair, ensure that it is rendered unusable before disposal to prevent accidental use.

## **Contact Information for Further Support**

For any safety inquiries or to report unsafe products, please contact the relevant authorities or your local consumer protection agency. Regularly check for updates and recalls on the EU's Safety Gate platform to stay informed about product safety.

Thank you for your attention to these important safety instructions. Your safety and the safety of others is our top priority.
