

# AR-15/M16 MK 8 SUPER MODULAR RAILS, M-LOK - GEISSELE AUTOMATICS MK 8 15" M-LOK SUPER MODULAR RAIL, DDC

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

## Lightweight, Free-Floating Modular Handguard

Ergonomic, lightweight modular rail system offers plenty of M-LOK attachment points along the entire length. Single piece assembly is machined from a semi-billet extrusion of aircraft grade aluminum for enhanced strength and performance to weight ratio. Free floating handguard attaches via long barrel nut machined from aircraft grade aluminum with a hardcoat anodized surface. Handguard fits tightly on the barrel nut and clamps securely by two cross bolt. M-LOK technology allows shooter to place accessory rails anywhere along the length of the rail in 45° intervals. Handguard has two standard, non-rotating QD slots on either side. Please note that a gas block is no longer included with these handguards.

## Attributes

- Name: [GEISSELE AUTOMATICS MK 8 15" M-LOK SUPER MODULAR RAIL, DDC](#)
- Manufacturer: [GEISSELE AUTOMATICS](#)
- Product no.: 100018964

# Safety Instruction Guide for AR15/M16 MK 8 Super Modular Rails, MLOK

## Introduction

Thank you for choosing the AR15/M16 MK 8 Super Modular Rails, MLOK by Geissele Automatics. This product is designed to enhance your shooting experience while ensuring safety and performance. Please read this safety instruction guide carefully to ensure proper use and installation of the product.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the modular rail system as it is designed for nonfood products and meets EU safety standards.
- **Enhanced Recalls:** Stay informed about any product recalls. If a recall occurs, you will be provided with standardized notices and free remedies for any dangerous products.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra safeguards are in place for vulnerable groups. Ensure that children do not have access to the product unless supervised by an adult.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EUbased contact point associated with this product.
- **Rapid Alerts:** Stay updated on any unsafe products through the EU Safety Gate system.

## Specific Safety Precautions for Use

- **Installation Safety:** Always follow the installation instructions carefully to avoid improper assembly that could lead to hazards.
- **Handling:** Use caution when handling the rail system, especially during installation and attachment of accessories.
- **Compatibility:** Ensure that the rail system is compatible with your firearm before installation to prevent accidents.
- **Regular Inspection:** Regularly inspect the product for wear and tear. Replace any damaged parts immediately.
- **Secure Fit:** Ensure that the handguard fits tightly on the barrel nut and is securely clamped by the two cross bolts.
- **MLOK Attachments:** Be mindful of the placement of accessories on the MLOK attachment points. Ensure they are securely fastened.
- **Avoid Modifications:** Do not modify the product in any way that may compromise its safety or performance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools for installation.
- Ensure the firearm is unloaded and in a safe condition before beginning installation.

### 2. Installation Steps:

- Remove the existing handguard from your firearm according to the manufacturer's instructions.
- Clean the barrel nut area to ensure a secure fit.
- Align the new handguard with the barrel nut.
- Attach the handguard using the provided long barrel nut, ensuring it is securely fastened.

- Tighten the two cross bolts to clamp the handguard in place. Ensure it is secure but do not overtighten.

### **3. Usage:**

- Once installed, ensure the rail system is tested for stability before use.
- Attach accessories to the MLOK attachment points as desired, ensuring they are securely fastened.
- Always follow safe firearm handling practices when using your firearm with the installed rail system.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the product reaches the end of its life or is damaged beyond repair, dispose of it responsibly by following local electronic waste disposal guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the AR15/M16 MK 8 Super Modular Rails, MLOK, please refer to the contact information provided with your product packaging or consult the manufacturer's website.

By following these safety instructions, you help ensure a safe and enjoyable experience with your new modular rail system. Always prioritize safety and compliance with local laws and regulations when using firearms and related accessories.
