# Safety Instruction Guide for 5H BIPOD ACCUSHOT QUICK DETACH PICATINNY

## Introduction

Thank you for choosing the 5H Bipod AccuShot Quick Detach Picatinny. This product is designed for stability and precision in various shooting scenarios. To ensure your safety and the optimal performance of the bipod, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always inspect the bipod before use to ensure that it is in good condition and free from damage.
- Use the bipod only for its intended purpose as specified in the product description.
- Keep the bipod out of reach of children and unauthorized users.
- Be aware of your surroundings when using the bipod to avoid accidents.
- Do not modify or disassemble the bipod, as this may compromise its safety and performance.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Ensure that the bipod is securely mounted to the Picatinny rail before use.
- Do not exceed the recommended height range of 5.5 to 10.5 inches.
- Avoid using the bipod on unstable surfaces that may lead to tipping or falling.
- When adjusting the pan and cant, ensure that the tension wheel is properly secured to avoid unintentional movement.
- Always lock the pan and cant at the top dead center position when not in use.
- Use caution when adjusting the leg positions to prevent pinching or injury.

## Instructions for Installation and Usage

### 1. Installation

- Remove the bipod from its packaging and inspect it for any damage.
- Ensure that the Picatinny rail is clean and free from debris.
- Align the CUSTOM ADM Lever with the rail and secure it by tightening the lever until it is firmly in place.
- Verify that the bipod is stable and does not wobble.

### 2. Usage

- Adjust the height of the bipod by selecting one of the five leg positions (0, 45, 90, 135, and 180 degrees).
- To adjust pan and cant, loosen the tension wheel and position the bipod as needed. Secure the wheel once the desired position is achieved.
- When finished using the bipod, collapse the legs and store it in a safe location.

## Disposal Instructions

- Dispose of the bipod in accordance with local regulations for electronic waste.
- Do not dispose of the bipod in regular household waste.
- If the bipod is damaged beyond repair, consider recycling the aluminum and steel components where facilities are available.

## **Contact Information for Further Support**

For any safety inquiries or product support, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these guidelines, you can ensure a safe and effective experience with your 5H Bipod AccuShot Quick Detach Picatinny. Thank you for your attention to safety, and enjoy your shooting experience!
