# SP Series Handguards Safety Instruction Guide

## Introduction

Thank you for choosing the SP Series Handguards, MLOK by Midwest Industries. This guide provides important safety information, installation instructions, and general precautions to ensure safe and effective use of your handguard.

## General Safety Guidelines

- Ensure the handguard is compatible with your firearm before installation.
- Always follow all local laws and regulations regarding firearm modifications.
- Inspect the handguard for any damage before use. Do not use if any parts are damaged.
- Keep the handguard out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation Safety:** Ensure you are using the correct tools and follow the installation instructions carefully to avoid injury.
- **Firearm Safety:** Always treat your firearm as if it is loaded. Keep the muzzle pointed in a safe direction.
- **Personal Safety:** Wear appropriate safety gear, such as safety glasses and gloves, during installation and use.
- **Environmental Safety:** Do not expose the handguard to extreme temperatures or harsh chemicals that could compromise its integrity.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather necessary tools: barrel nut wrench, screwdrivers, and any other required tools.
- Ensure you are working in a clean, dry, and welllit area.

### 2. Installation:

- Remove the existing handguard from your firearm according to the manufacturer's instructions.
- Install the barrel nut using the provided wrench, ensuring it is securely fitted.
- Align the SP Series Handguard over the barrel nut and press it into place.
- Secure the handguard using the provided screws, ensuring they are tightened adequately but not overtightened to avoid damage.
- Attach the included fiveslot MLOK polymer rail section as needed for accessories.

### 3. Usage:

- Once installed, check the handguard for stability before use.
- Regularly inspect the handguard for any signs of wear or damage during use.
- If you notice any issues, cease use immediately and consult a professional.

## Disposal Instructions

- Dispose of the handguard responsibly according to local waste management regulations.
- Recycle materials where possible, particularly aluminum components.

## **Contact Information for Further Support**

For further support or inquiries regarding safety and usage, please refer to the manufacturer's website or contact the designated support channels.

Thank you for taking the time to read this safety instruction guide. Your safety and the safe operation of your firearm are of utmost importance. Please adhere to all safety guidelines and instructions provided.
