

# AR-15/M16 MOE™ TRIGGERGUARD - MAGPUL MOE TRIGGERGUARD, GRAY

[Rifle Parts](#) > [Triggers Parts](#) > [Trigger Guards](#)

## Provides Extra Clearance When Wearing Gloves; Drop-In Installation

Enhanced triggerguard has a shallow “V” shape that provides extra clearance for a shooter wearing gloves, and eliminates the gap at the rear of the USGI triggerguard that can trap or pinch finger. Smooth, ergonomically contoured surface and rounded edges protect the trigger finger from abrasion and won’t snag on the operator’s glove to impede the speed of target engagement. Replaces factory guard in minutes and requires no permanent alterations to receiver; reinstall original guard any time. Manufactured from high-grade, reinforced polymer that’s lightweight, almost as strong as aluminum, and resistant to heat, cold and moisture. Fits mil-spec AR-15/M16 and clones, as well as many AR-style .308 models; installation instructions included.

## Attributes

- Name: [MAGPUL MOE TRIGGERGUARD, GRAY](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100019346
- Mfr. No.: MAG417-GRY

# Safety Instruction Guide for AR15/M16 MOE™ Triggerguard

## Introduction

Thank you for choosing the AR15/M16 MOE™ Triggerguard by Magpul. This product is designed to enhance your shooting experience by providing additional comfort and safety. Please read this safety instruction guide carefully to ensure proper use and installation, and to understand the precautions necessary for safe operation.

## General Safety Guidelines

- Always handle your firearm with care and follow all safety protocols.
- Ensure that the firearm is unloaded before installing or adjusting any components.
- Use the triggerguard only with compatible firearms (milspec AR15/M16 and clones, as well as many ARstyle .308 models).
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the triggerguard for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the triggerguard is securely installed before using the firearm.
- Do not modify the triggerguard or the firearm in any way that could compromise safety.
- Avoid using the triggerguard in extreme conditions where it may be exposed to excessive heat, cold, or moisture for prolonged periods.
- Always wear appropriate protective gear, including gloves, when handling firearms.
- Be aware of your surroundings and ensure a safe shooting environment at all times.

## Instructions for Installation and Usage

1. **Unloading the Firearm:** Before beginning installation, ensure that the firearm is completely unloaded. Remove any ammunition from the chamber and magazine.
2. **Removing the Original Triggerguard:**
  - Locate the roll pin securing the factory triggerguard in place.
  - Use a punch tool to carefully drive out the roll pin from the original triggerguard.
  - Remove the original triggerguard from the firearm.
3. **Installing the New Triggerguard:**
  - Align the new AR15/M16 MOE™ Triggerguard with the mounting holes on the receiver.
  - Insert the roll pin provided with the new triggerguard through the holes to secure it in place.
  - Use a punch tool to ensure the roll pin is fully seated.
4. **Securing the Triggerguard:**
  - Tighten the set screw included with the triggerguard to ensure a snug fit.
  - Check that the triggerguard is firmly attached and does not move.
5. **Final Inspection:**
  - Inspect the installation to ensure there are no gaps or misalignments.
  - Ensure that the triggerguard provides adequate clearance for your fingers, especially when

wearing gloves.

## **Disposal Instructions**

- Dispose of any old or damaged triggerguards in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options if available.

## **Contact Information for Further Support**

For any safety inquiries, installation assistance, or product support, please refer to the manufacturer's website or customer service resources.

By following these guidelines and instructions, you can ensure safe and effective use of the AR15/M16 MOE™ Triggerguard. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
