[Handgun Parts](#) > [Frame Parts](#) > [Mainspring Parts](#) > [Mainspring Housings](#)

Custom Quality Checkering for Improved Grip, Rounded Heel for Enhanced Carry and Shooting Comfort, Machined from Tough Premium Barstock Custom quality 1911 mainspring housings precision machined from tough, solid barstock to stand up to prolonged, heavy use. Machined to maximum tolerances for a snug, drop in fit in most 1911 pistols, which eliminates unsightly gaps and improves performance. Checkering is precision cut by master metalsmith Pete Single, and meets or exceeds that found on the very finest custom 1911 pistols. Perfectly formed diamonds provide a locked-in grip on your pistol to aid in control of the pistol during rapid fire. Radiused, rounded heel makes the pistol more comfortable in the hand while shooting, and against the body while the pistol is carried concealed. Mainspring tunnel is reamed for precision tolerance and smooth mainspring function aiding in a fine trigger action.

# Safety Instruction Guide for 1911 AUTO MAINSPRING HOUSING

## Introduction

Thank you for choosing the 1911 AUTO MAINSPRING HOUSING by STAN CHEN CUSTOMS. This product is designed to enhance your shooting experience by providing improved grip and comfort. However, it is essential to follow safety guidelines to ensure the safe use of this product. This guide outlines general safety guidelines, specific precautions, installation instructions, and disposal information.

## General Safety Guidelines

- Ensure that the product is suitable for your specific model of 1911 pistol (Government and Commander models).
- Always handle firearms with care and follow standard firearm safety practices.
- Store the mainspring housing in a secure location, away from children and unauthorized users.
- Inspect the mainspring housing regularly for signs of wear or damage.
- If you experience any issues during installation or use, cease operation immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to malfunction or injury.
  - Failure to maintain the product may result in decreased performance or safety risks.
- **Avoiding Hazards:**
  - Always ensure that the firearm is unloaded before installation or maintenance.
  - Use only compatible parts and accessories with your 1911 pistol.
  - Do not attempt to modify the mainspring housing beyond its intended use.
  - Be aware of your surroundings when handling firearms to prevent accidents.
- **AgeSpecific Warnings:**
  - This product is intended for use by individuals aged 18 and older.
  - Keep this product out of reach of children and unauthorized users.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure the firearm is completely unloaded.
  2. Remove the existing mainspring housing from your 1911 pistol by following the manufacturer's instructions.
  3. Align the new mainspring housing with the frame of the pistol.
  4. Insert the mainspring housing and ensure it fits snugly. Minor fitting may be required.
  5. Check for any gaps or misalignments before securing the housing in place.
  6. Once installed, perform a function check to ensure proper operation.
- **Usage:**

- Regularly check the mainspring housing for tightness and any signs of wear.
- Maintain proper cleaning and lubrication as per your firearm's maintenance guidelines.
- Practice safe handling and shooting techniques at all times.

## **Disposal Instructions**

- Dispose of the mainspring housing in accordance with local regulations regarding firearm parts.
- If the product is damaged beyond use, consider recycling metal components where applicable.
- Do not discard in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the 1911 AUTO MAINSPRING HOUSING, please refer to the manufacturer's contact information provided with your product packaging.

## **Conclusion**

Following these safety guidelines will help ensure a safe and enjoyable experience with your 1911 AUTO MAINSPRING HOUSING. Always prioritize safety and responsible use when handling firearms.
