

# 1911 AUTO MAXBEVEL MAINSPRING HOUSING - STAN CHEN CUSTOMS 1911 AUTO MAXBEVEL MAINSPRING HOUSING, 20 LPI, BLUED

[Handgun Parts](#) > [Frame Parts](#) > [Mainspring Parts](#) > [Mainspring Housings](#)

Larger Magazine Well Bevel for Faster Reloads with No Extra Bulk Unique design allows the custom gunsmith to seamlessly cut the bevel of the magwell back into the mainspring housing, allowing a much larger magwell opening without an add on magwell. Proprietary BevelBlock™ fitting block of extra material on the front ledge of the mainspring housing forms a seamless butt joint with the frame, deep into the frame's magazine well. The BevelBlock now comes pre-machined with an angled rear bevel to make installation even simpler, while still allowing the gunsmith to shape to their own profile, if desired. Allows shooters to hit the sweet spot at the rear of the magwell during combat reloads. Machined to maximum dimensions to deliver a nice snug fit in most 1911 frames without excessive material removal. Perfect for carry applications to greatly increase the magwell opening with no extra bulk. Requires one simple machine cut for installation before final shaping. Available in flat and smooth, or custom quality checkered at 20, 25 or 30 lines per inch by master metalsmith Pete Single. Perfectly formed diamonds improve grip and control during rapid fire. Rounded heel increases shooting and carry comfort. Precision machined from tough, solid barstock for extreme durability.

# Safety Instruction Guide for 1911 AUTO MAXBEVEL MAINSPRING HOUSING

## Introduction

Thank you for choosing the 1911 AUTO MAXBEVEL MAINSPRING HOUSING by Stan Chen Customs. This product is designed to enhance the functionality of your 1911 firearm while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product safely.

## General Safety Guidelines

- Ensure the product is compatible with your firearm before installation.
- Always handle firearms with care and follow the basic rules of gun safety.
- Store the product in a safe, dry place out of reach of children and unauthorized users.
- Regularly check for any signs of wear or damage to ensure continued safety and functionality.
- Report any unsafe product experiences or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Before using the 1911 AUTO MAXBEVEL MAINSPRING HOUSING, ensure that your firearm is unloaded and pointed in a safe direction.
- Avoid using the product in adverse weather conditions that may affect grip and handling.
- Be aware of your surroundings and ensure that you have a clear line of sight when reloading.
- If you are inexperienced with firearms, seek guidance from a qualified gunsmith or instructor.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have the necessary tools for installation, including a suitable machine for cutting.
- Read all instructions thoroughly before beginning the installation process.

### 2. Installation Steps:

- Remove the existing mainspring housing from your 1911 firearm.
- Use the Proprietary BevelBlock™ fitting block to align the new mainspring housing with the frame.
- Make one simple machine cut as required for installation before final shaping.
- Shape the bevel to your desired profile, if needed.
- Ensure a snug fit without excessive material removal.

### 3. Usage:

- Once installed, practice reloading with the modified magwell to familiarize yourself with the new dimensions.
- Maintain a steady grip on the firearm during rapid fire to enhance control and accuracy.
- Regularly inspect the installation for any signs of loosening or wear.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product is damaged or no longer needed, consult local waste management guidelines for proper disposal methods.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the 1911 AUTO MAXBEVEL MAINSPRING HOUSING, please refer to the manufacturer's contact details, which can typically be found on their official website or product packaging.

By adhering to the guidelines set forth in this safety instruction guide, you can enjoy the enhanced features of your 1911 AUTO MAXBEVEL MAINSPRING HOUSING while ensuring safety for yourself and others. Thank you for your attention to these important safety measures.
