

# CQB SINGLE POINT SLING - TAC-SHIELD CQB SINGLE POINT SLING-BLACK

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The CQB "Close Quarters Battle" Sling offers all the necessities for weapon carry and deployment. The wider 1.50" mil-spec non-abrasive webbing offers increased durability, comfort, and quick transitions between weapons. CQB sling comes with a hook silencer sleeve that keeps weapon movement silent for critical missions. The 1.25" emergency release buckles allow for easy removal from body. The single point HK hook is attached with a single ERB for quick weapon removal. Mil-Spec Webbing HK Snap Hook Hook Silencer Sleeve Single Quick Release Buckle

# CQB Single Point Sling Safety Instruction Guide

## Introduction

Thank you for choosing the CQB Single Point Sling by TACSHIELD. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your sling. Please read this document carefully before using the product.

## General Safety Guidelines

- Always inspect the sling before each use for any signs of wear or damage.
- Ensure that the sling is properly attached to your weapon before use.
- Avoid using the sling with any weapon that exceeds the manufacturer's weight limits.
- Do not modify the sling in any way, as this may compromise its safety and effectiveness.
- Keep the sling out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding weapon carry and use.

## Specific Safety Precautions for Use

- **Avoid Entanglement:** Ensure that the sling does not get caught in any moving parts or obstacles during use.
- **Proper Fit:** Adjust the sling to fit securely to your body to prevent accidental release or slippage.
- **Emergency Release:** Familiarize yourself with the emergency release buckle operation to ensure quick removal if necessary.
- **Silent Operation:** Use the hook silencer sleeve to minimize noise during critical operations.
- **Check Compatibility:** Ensure that the HK snap hook is compatible with your weapon system.

## Instructions for Installation and Usage

### Installation

#### 1. Attach the Sling:

- Locate the attachment points on your weapon.
- Secure the HK snap hook to the designated point.
- Ensure that the attachment is secure and that the hook is fully engaged.

#### 2. Adjust the Length:

- Adjust the sling length using the provided adjustment mechanism to achieve a comfortable fit.
- Ensure that the sling allows for quick transitions between weapons if necessary.

### Usage

#### 1. Wearing the Sling:

- Slip the sling over your shoulder and adjust it to rest comfortably against your body.
- Make sure the sling does not interfere with your movement or access to your weapon.

#### 2. Weapon Deployment:

- To deploy your weapon, release the emergency buckle if necessary.
- Ensure that you have a firm grip on the weapon before fully removing it from the sling.

### 3. **Storing the Sling:**

- When not in use, store the sling in a dry place away from direct sunlight and extreme temperatures.
- Regularly inspect the sling for any signs of damage or wear.

## **Disposal Instructions**

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged or no longer usable, consider recycling the materials where possible.
- Do not dispose of the sling in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the appropriate contact points provided by your retailer or manufacturer.

By following these safety instructions, you can ensure that your CQB Single Point Sling is used effectively and safely. Thank you for your attention to these guidelines.
