

CQB SINGLE POINT SLING - TAC-SHIELD CQB SINGLE POINT SLING-COYOTE

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The CQB "Close Quarters Battle" Sling offers all the necessities for weapon carry and deployment. The wider 1.50" mil-spec non-abrasive webbing offers increased durability, comfort, and quick transitions between weapons. CQB sling comes with a hook silencer sleeve that keeps weapon movement silent for critical missions. The 1.25" emergency release buckles allow for easy removal from body. The single point HK hook is attached with a single ERB for quick weapon removal. Mil-Spec Webbing HK Snap Hook Hook Silencer Sleeve Single Quick Release Buckle

CQB SINGLE POINT SLING Safety Instruction Guide

Introduction

Thank you for choosing the CQB SINGLE POINT SLING by TACSHIELD. This guide provides essential safety instructions to ensure the safe and effective use of your sling. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the sling is used only for its intended purpose of carrying and deploying weapons.
- Regularly inspect the sling for any signs of wear or damage before each use.
- Do not exceed the weight limit specified for the sling to prevent failure.
- Always follow local laws and regulations regarding the use of weapon slings.
- Keep the sling out of reach of children and vulnerable individuals.
- If you experience any malfunction or failure of the sling, discontinue use immediately and report it.

Specific Safety Precautions for Use

- **Proper Fit:** Ensure that the sling is adjusted to fit securely and comfortably on your body to prevent accidental release.
- **Emergency Release:** Familiarize yourself with the location and operation of the 1.25" emergency release buckles for quick removal in case of an emergency.
- **Silent Operation:** Use the hook silencer sleeve to minimize noise during movement, especially in critical situations.
- **Weapon Attachment:** Ensure that the weapon is securely attached to the single point HK hook before use.
- **Avoid Entanglement:** Be aware of your surroundings to avoid entanglement with other objects while using the sling.

Instructions for Installation and Usage

1. Installation:

- Attach the single point HK hook to the designated attachment point on your weapon.
- Adjust the sling length by sliding the webbing through the adjustment points to achieve a comfortable fit.
- Ensure the hook silencer sleeve is properly positioned to reduce noise.

2. Usage:

- When ready to use the sling, ensure that the weapon is secured and that the sling is properly adjusted.
- To remove the weapon, pull the emergency release buckle and detach the HK hook from the weapon's attachment point.
- After use, store the sling in a safe and dry location.

Disposal Instructions

When the CQB SINGLE POINT SLING has reached the end of its life or is no longer usable, please dispose of it responsibly.

- Do not dispose of the sling in regular household waste.
- Check local regulations for proper disposal methods for nylon and other materials.
- Consider recycling options if available.

Contact Information for Further Support

For any questions or concerns regarding the CQB SINGLE POINT SLING, please reach out to the designated support team provided with your product purchase. Ensure you have the product details ready for efficient assistance.

By following these guidelines, you can ensure the safe and effective use of your CQB SINGLE POINT SLING. Thank you for your attention to safety.
