

# SUPER PRECISION ACOG 4X MOUNTS - GEISSELE AUTOMATICS

## TRIJICON ACOG 4X MOUNT, BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

The Super Precision ACOG Series was developed specifically to work with the Trijicon 4x power ACOG series of optics. These mounts are precision machined from a single piece of 7075-T6 high strength aluminum and are available in both co-witness and lower third co-witness options. They are also available in black type 3 hard coat anodize as well as Geisseles' proprietary DDC (Desert Dirt Color) type 3 hard coat anodize. Utilizing Geissele's update of the classic nut and bolt method, this mount will attach your red dot to your weapon with 1,400 pounds of clamping force, and features 3 shear lugs for maximum rigidity and return to zero.

### Attributes

- Name: [GEISSELE AUTOMATICS TRIJICON ACOG 4X MOUNT, BLACK](#)
- Manufacturer: [GEISSELE AUTOMATICS](#)
- Product no.: 100019460
- Mfr. No.: 05-403B
- Colour: Black
- Material: Aluminum 7075-T6
- Number of Bases: 1-Piece
- Style: Mount
- Delivery weight: 0.102kg
- Shipping height: 19mm
- Shipping width: 108mm
- Shipping length: 140mm
- UPC: 817953020760

# Safety Instruction Guide for SUPER PRECISION ACOG 4X MOUNTS

## Introduction

Thank you for choosing the SUPER PRECISION ACOG 4X MOUNTS by Geissele Automatics. This guide provides important safety information and instructions for the proper use, installation, and disposal of your product. Please read this guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Ensure the mount is compatible with your Trijicon 4x power ACOG optics before installation.
- Always check the mount for any signs of damage or wear before use.
- Use the mount only as intended. Do not modify the mount in any way.
- Keep the mount out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Avoid using the mount in extreme conditions (e.g., excessive heat, cold, or moisture) that may affect its performance.
- Ensure that the clamping force is properly applied to prevent slippage during use.
- Regularly inspect the mount for tightness and integrity, especially after heavy use.
- Follow all manufacturer instructions regarding the use of the product to avoid potential hazards.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a torque wrench, to ensure proper installation.
- Review the installation instructions carefully before proceeding.

### 2. Installation Steps

- Align the mount with the base of your firearm according to the manufacturer's specifications.
- Secure the mount using the provided hardware, ensuring that it is tightened evenly.
- Use a torque wrench to apply the recommended torque to the mounting screws, ensuring a secure fit.

### 3. Usage Guidelines

- Once installed, check the mount's stability before using your firearm.
- Ensure that the red dot sight is properly aligned with the mount for optimal accuracy.
- After each use, inspect the mount and sight for any signs of loosening or damage.

### 4. PostUse Maintenance

- Clean the mount with a soft, dry cloth to remove any dirt or debris.
- Store the mount in a cool, dry place when not in use to prevent corrosion.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for electronic waste and aluminum recycling.
- Do not throw the mount in regular household waste.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product support, please refer to the manufacturer's website or contact their customer service department. Ensure that you have your product details ready for assistance.

By following these safety instructions and guidelines, you can ensure the safe and effective use of your SUPER PRECISION ACOG 4X MOUNTS. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
