

# SUPER PRECISION ACOG 4X MOUNTS - GEISSELE AUTOMATICS

## TRIJICON ACOG 4X MOUNT, DDC

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

The Super Precision ACOG Series was developed specifically to work with the Trijicon 4x power ACOG series of optics. These mounts are precision machined from a single piece of 7075-T6 high strength aluminum and are available in both co-witness and lower third co-witness options. They are also available in black type 3 hard coat anodize as well as Geisseles' proprietary DDC (Desert Dirt Color) type 3 hard coat anodize. Utilizing Geissele's update of the classic nut and bolt method, this mount will attach your red dot to your weapon with 1,400 pounds of clamping force, and features 3 shear lugs for maximum rigidity and return to zero.

### Attributes

- Name: [GEISSELE AUTOMATICS TRIJICON ACOG 4X MOUNT, DDC](#)
- Manufacturer: [GEISSELE AUTOMATICS](#)
- Product no.: 100019461
- Mfr. No.: 05-403S

# Safety Instruction Guide for SUPER PRECISION ACOG 4X MOUNTS

## Introduction

Thank you for choosing the SUPER PRECISION ACOG 4X MOUNTS by Geissele Automatics. This guide provides essential safety information, installation instructions, and usage guidelines to ensure your product functions safely and effectively. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that all users read and understand these safety guidelines before using the product.
- Always handle the mount and your weapon with care to prevent accidents or injuries.
- Use the mount only for its intended purpose, as described in this guide.
- Regularly inspect the mount for signs of wear or damage. Do not use if any damage is detected.
- Keep the mount and all related equipment out of reach of children and unauthorized users.
- Report any unsafe product experiences or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always ensure that the mount is securely attached to your weapon before use.
- Do not exceed the specified clamping force of 1,400 pounds.
- Use the mount only with compatible Trijicon 4x power ACOG optics.
- Avoid using the mount in extreme environmental conditions that may compromise its integrity.
- Be aware of your surroundings and ensure that you are in a safe area when using your weapon.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your weapon is unloaded and pointed in a safe direction before beginning installation.
- Remove any existing mounts or optics from your weapon.
- Position the SUPER PRECISION ACOG mount on the designated area of your weapon.
- Align the mount according to the manufacturer's specifications.
- Use the included nut and bolt method to secure the mount. Ensure that all components are tightened to the manufacturer's specifications.
- Verify that the mount is securely attached by attempting to move it. It should not shift or loosen.

### 2. Usage:

- Once installed, attach your Trijicon 4x power ACOG optic to the mount.
- Ensure that the optic is securely fastened and properly aligned.
- Conduct a function check to ensure that the optic is working correctly and that the mount holds its position.
- When using your weapon, maintain a firm grip and be mindful of the mount's integrity throughout your session.

## Disposal Instructions

- Dispose of the mount and any packaging materials in accordance with local regulations.
- Do not dispose of the mount in regular household waste if it contains hazardous materials.
- Contact your local waste management authority for specific disposal instructions.

## **Contact Information for Further Support**

For any questions or concerns regarding the SUPER PRECISION ACOG 4X MOUNTS, please reach out to the manufacturer or your point of purchase for further assistance. Always ensure that you have the product information readily available when seeking support.

Thank you for prioritizing safety and for choosing Geissele Automatics. Enjoy using your SUPER PRECISION ACOG 4X MOUNTS responsibly.
