

# V-TAC PADDED SLINGS - VIKING TACTICS V-TAC PADDED SLING-MULTICAM

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The Viking Tactics Padded Sling was designed with the same great features as the original Viking Tactics Sling, but with added comfort for carrying heavier firearms. Designed with the shooter and soldier in mind, the Viking Tactics Padded Sling is made with a shoulder strap with closed cell foam. The forward adjustable portion of the sling remains the same as the original sling, giving you quick and easy adjustments from any position.

# VTAC Padded Sling Safety Instructions

## Introduction

Thank you for choosing the VTAC Padded Sling. This product is designed to provide comfort and functionality for carrying heavier firearms. Please read this safety instruction guide carefully to ensure safe and proper use of the sling.

## General Safety Guidelines

- Ensure safe use of the VTAC Padded Sling by following these guidelines:
  - Always inspect the sling before use for any signs of wear or damage.
  - Use the sling only for its intended purpose: carrying firearms.
  - Keep the sling out of reach of children and vulnerable individuals.
  - Be aware of your surroundings when using the sling, especially in crowded or confined spaces.
  - Do not exceed the weight limit of the sling as specified by the manufacturer.
  - Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- To avoid potential hazards, please adhere to the following precautions:
  - Ensure that all attachment points are secure before use.
  - Adjust the sling to fit your body properly to prevent discomfort or injury.
  - Avoid using the sling in wet or slippery conditions to prevent loss of grip.
  - Do not use the sling if it is frayed, torn, or damaged in any way.
  - Always keep the firearm pointed in a safe direction when using the sling.
  - Be cautious when transitioning from standing to sitting or kneeling positions with the sling attached.

## Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the VTAC Padded Sling:

### 1. Installation:

- Locate the attachment points on your firearm.
- Securely attach the sling's ends to the firearm using the provided connectors.
- Ensure that the attachment points are locked and cannot be easily released.

### 2. Adjustment:

- Adjust the length of the sling by sliding the adjuster to achieve a comfortable fit.
- Test the adjustments to ensure that the sling allows for quick transitions between carrying and shooting positions.

### 3. Usage:

- When carrying the firearm, position the sling over your shoulder.
- Ensure that the firearm is secure and that you can access it easily when needed.
- Practice safe handling and always be aware of your surroundings.

## Disposal Instructions

- To dispose of the VTAC Padded Sling:
  - Ensure the sling is no longer in use and is not damaged.
  - Dispose of the sling in accordance with local regulations for textile and nylon materials.
  - Do not dispose of the sling in regular household waste if it is still functional; consider donating it to a local organization or recycling program.

## Contact Information for Further Support

For any questions or concerns regarding the VTAC Padded Sling, please refer to the manufacturer's website or customer service for assistance.

- Remember to report any unsafe products or incidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

Thank you for prioritizing safety while using the VTAC Padded Sling. Your adherence to these guidelines ensures a safer experience for you and others.
