

# V-TAC PADDED SLINGS - VIKING TACTICS V-TAC PADDED SLING-UPGRADED-COYOTE

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The Viking Tactics Padded Sling was designed with the same great features as the original Viking Tactics Sling, but with added comfort for carrying heavier firearms. Designed with the shooter and soldier in mind, the Viking Tactics Padded Sling is made with a shoulder strap with closed cell foam. The forward adjustable portion of the sling remains the same as the original sling, giving you quick and easy adjustments from any position.

# VTAC Padded Sling Safety Instruction Guide

## Introduction

Thank you for choosing the VTAC Padded Sling by Viking Tactics. This guide provides essential safety instructions to ensure the safe and effective use of your new sling. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always inspect the sling before each use for any signs of wear or damage.
- Ensure that the sling is properly attached to the firearm before use.
- Use the sling only for its intended purpose, which is to assist in carrying firearms.
- Keep the sling away from children and unauthorized users.
- Do not exceed the recommended weight limit of the sling, which is designed for heavier firearms.
- Avoid using the sling in wet or slippery conditions that could compromise grip and control.

## Specific Safety Precautions for Use

- **Proper Fit:** Adjust the sling to fit your body securely, ensuring that it does not slip or slide during use.
- **Shooting Position:** When using the sling in a shooting position, ensure that it does not obstruct the trigger or any other controls of the firearm.
- **Awareness of Surroundings:** Always be aware of your surroundings when using the sling, especially in crowded or confined spaces.
- **Regular Maintenance:** Clean and maintain the sling regularly to ensure its longevity and reliability.

## Instructions for Installation and Usage

### 1. Attachment:

- Attach the sling to the firearm using the provided attachment points.
- Ensure that the attachment is secure and that the sling does not come loose during use.

### 2. Adjustment:

- Adjust the shoulder strap for a comfortable fit using the adjustable portion of the sling.
- Make sure that the adjustments allow for quick and easy modifications when in different shooting positions.

### 3. Carrying:

- When carrying the firearm, ensure that the sling is positioned to distribute the weight evenly across your shoulder.
- If necessary, adjust the sling to maintain comfort during extended use.

### 4. Shooting:

- When preparing to shoot, ensure that the sling does not interfere with your shooting stance or firearm controls.
- Practice using the sling in a safe environment to become familiar with its operation and adjustability.

## Disposal Instructions

- When the sling reaches the end of its useful life, dispose of it responsibly.
- Consider recycling materials where possible, and follow local regulations for the disposal of nylon products.

## Contact Information for Further Support

For any inquiries or concerns regarding the VTAC Padded Sling, please refer to the manufacturer's contact information provided with your product packaging. Always ensure that you have the latest updates on safety and product recalls.

## Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your VTAC Padded Sling. Always prioritize safety and responsible use when handling firearms and associated accessories. Thank you for your attention to these important guidelines.
