

V-TAC PADDED SLING WITH CUFF ASSEMBLY - VIKING TACTICS V-TAC PADDED SLING W/CUFF ASSEMBLY-COYOTE

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

If your mission requires you to move long distances in austere conditions with a heavy sniper systems and still be ready to engage a threat when you arrive at your target, from any position, then the Viking Tactics Sniper Sling is up to the task. The Viking Tactics Sniper Sling is designed to give you all the advantages of the VTAC Sling with the additional benefit of a quick detach cuff. The quick adjust portion of the sling gives a sniper the ability to wear the cuff, snap in and adjust the sling quickly to the necessary length. The cuff comes equipped with a small snap shackle. This buckle will allow you to attach or detach quickly in any situation. The VTAC-MK2-WC sling is a modified VTAC MK2 sling that includes an arm cuff as well as two HDQD swivels.

VTAC Padded Sling with Cuff Assembly Safety Instructions

Introduction

Thank you for choosing the VTAC Padded Sling with Cuff Assembly. This product is designed to provide you with a reliable and adjustable solution for carrying your equipment in various conditions. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use under normal operating conditions. Ensure that you are familiar with the product before use.
- **Enhanced Recalls:** In the event of a safety concern, recall notices will be provided. Stay informed about any recalls related to this product.
- **Online Shopping:** If purchased online, ensure that the platform meets safety requirements. You have the same protections as when buying in physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided on the packaging or the retailer's website.
- **Rapid Alerts:** Stay updated on any safety alerts regarding this product through the EU Safety Gate system.

Specific Safety Precautions for Use

- **Proper Use:** Always use the sling as intended. Do not exceed the recommended load capacity.
- **Inspection:** Before each use, inspect the sling for any signs of wear, damage, or malfunction. Do not use if any issues are detected.
- **Adjustments:** Make adjustments to the sling only when it is not under load to avoid injury.
- **Cuff Usage:** Ensure the cuff is securely fastened before use. It should fit snugly but not restrict blood flow.
- **Environmental Conditions:** Avoid using the sling in extreme weather conditions that may affect its performance.
- **Training:** If you are unfamiliar with using tactical slings, seek proper training before use.

Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the sling from its packaging. Ensure all components are included: the sling, cuff, and swivels.
2. **Attaching the Sling:**
 - Locate the attachment points on your equipment.
 - Use the HDQD swivels to securely attach the sling to the designated points.
 - Ensure each attachment is tight and secure.
3. **Adjusting the Sling:**
 - To adjust the length of the sling, pull the quick adjust portion until the desired length is achieved.
 - Ensure that the adjustment is secure before proceeding.
4. **Using the Cuff:**
 - Slide your arm into the cuff and secure it using the snap shackle.
 - Adjust the cuff for a snug fit, ensuring it does not impede movement.
5. **Engaging a Threat:**
 - Practice transitioning from a carry position to an engagement position to ensure familiarity with the sling's operation.

6. Storage:

- When not in use, store the sling in a cool, dry place away from direct sunlight to prevent material degradation.

Disposal Instructions

- **Disposal of Product:** When the sling reaches the end of its life, dispose of it in accordance with local regulations. Do not dispose of it in regular household waste.
- **Recycling:** If applicable, recycle any components that can be recycled according to local recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the VTAC Padded Sling with Cuff Assembly, please refer to the manufacturer's contact information available on the packaging or the retailer's website.

Thank you for following these safety guidelines. Your safety is our priority.
