

# VICKERS 2-TO-1 RED SWIVEL SLING - BLUE FORCE GEAR VICKERS PADDED 2-TO-1 RED SWIVEL SLING-COYOTE

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

While 2-point slings are ideal for most situations, there are times, like deploying from a vehicle or fighting in complex structures, when a 1-point sling has a clear advantage. Combining Blue Force Gear's new polymer Burnsed Socket and patented RED Swivel, the Vickers 221 Sling allows users to switch from 2-point to 1-point mode instantly by pulling on the RED Swivel knob and reinserting it in to the Burnsed Socket at the rear of the receiver. The instantaneous adjustability of the sling is still maintained in both 1 and 2 point modes. Constructed similar to the world's standard Vickers Combat Applications Sling™, a RED™ Swivel is sewn to the front of the sling towards the muzzle. A standard push button swivel and new molded Burnsed Socket are woven onto the rear allowing full adjustability of the sling for use with or without body armor. The 221™ Sling fits any weapon with two QD sling swivel sockets with the rear socket towards the end of the receiver. For SCARS, Sigs, HKs, or other weapon systems with eyelets at the rear of the receiver, a Universal Wire Loop with Push Button Socket can be added instead of the included push button socket. Sling Build: 1.25" sling webbing 2.00" tubular webbing with closed cell foam padding for padded models Invista solution dyed CORDURA® webbing ITW GhilleTex™ Acetal hardware - a military grade, low IR plastic RED™ Swivel Build: Machined steel, phosphated for maximum corrosion resistance Nylon coated, double crimped directly to 7 strand stainless steel aircraft cable Textured spheroid-conical shaped pull knob Stainless Steel internals

## Attributes

- Name: [BLUE FORCE GEAR VICKERS PADDED 2-TO-1 RED SWIVEL SLING-COYOTE](#)
- Manufacturer: [BLUE FORCE GEAR](#)
- Product no.: 100019659
- Mfr. No.: VCAS-2TO1-RED-200-AA-CB
- Colour: Coyote
- Material: Nylon
- Style: 1-point Sling, 2-point Sling
- Width: 1-1/4"
- Delivery weight: 0.2kg
- Shipping height: 64mm
- Shipping width: 127mm
- Shipping length: 127mm
- UPC: 814520019981

# Vickers 2to1 Red Swivel Sling Safety Instructions

## Introduction

Thank you for choosing the Vickers 2to1 Red Swivel Sling by Blue Force Gear. This product is designed to enhance your experience in various shooting situations while ensuring safety. Please read this safety instruction guide carefully to ensure the proper use and maintenance of your sling.

## General Safety Guidelines

- **Product Safety:** This sling is designed for safe use in all nonfood applications. Follow all instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about safety recalls. Check the Safety Gate platform regularly for updates.
- **Online Shopping:** Ensure that any online purchase meets the same safety standards as instore products.
- **Special Consumer Focus:** This sling is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, ensure you have access to a local EU contact point.
- **Rapid Alerts:** Be aware of the Safety Gate system for quick updates on unsafe products.

## Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the weight limit specified for the sling.
- **Inspect Before Use:** Always check the sling for wear and tear before each use. Look for frays, cuts, or any damage.
- **Proper Attachment:** Ensure the sling is securely attached to the weapon before use.
- **Avoid Sharp Edges:** Keep the sling away from sharp objects that could cause damage.
- **Use in Safe Environments:** Do not use the sling in environments that are hazardous or unsafe for shooting activities.

## Instructions for Installation and Usage

### 1. Installation:

- Identify the QD sling swivel sockets on your weapon.
- Attach the front of the sling to the front socket using the RED Swivel.
- Attach the rear of the sling to the rear socket. Ensure it is secure.

### 2. Adjusting the Sling:

- To switch between 2point and 1point modes, pull the RED Swivel knob and reinserting it into the Burnsed Socket at the rear of the receiver.
- Adjust the length of the sling using the Acetal triglides to ensure a comfortable fit.

### 3. Using the Sling:

- When in 2point mode, ensure the sling is adjusted to allow for smooth movement.
- In 1point mode, confirm that the sling allows for quick transitions and easy access to your weapon.

### 4. PostUse Care:

- After use, clean the sling with a damp cloth to remove dirt and debris.
- Store the sling in a dry, cool place away from direct sunlight.

## **Disposal Instructions**

- Dispose of the sling responsibly.
- If the sling is damaged beyond repair, consider recycling the materials where possible.
- Follow local regulations for the disposal of textiles and plastics.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Vickers 2to1 Red Swivel Sling, please refer to your local EU contact point or the retailer from which you purchased the product.

Thank you for prioritizing safety while using your Vickers 2to1 Red Swivel Sling. Enjoy your shooting experience responsibly!
