

MINIMALIST MAGWELL FOR GLOCK® GEN 3 - AGENCY ARMS

MINIMALIST MAGWELL FOR GLOCK® 17/22/34 GEN 3 GRAY

[Home](#)

Minimalist magwell designed for EDC and CCW use. Machined with a bevel along the sides that aids in shelving the hand up and into the pistol. The magwell aids the user to guide the magazines into the magazine well. Compatible with various base pads (OEM, 10-8 Performance, Vickers, Taran Tactical, Arredondo, and Henning). Includes a grip plug, magwell, set screws and allen wrenches for a quick installation.

Safety Instruction Guide for Minimalist Magwell for Glock® Gen 3

Introduction

Thank you for choosing the Minimalist Magwell for Glock® Gen 3. This product is designed to enhance your experience with your Glock® 17, 22, or 34 by providing improved magazine insertion and grip. It is important to follow the safety instructions outlined in this guide to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using the magwell.
- Always treat your firearm as if it is loaded, even if you believe it to be unloaded.
- Store your firearm and accessories securely and out of reach of children and unauthorized individuals.
- Inspect the magwell and your firearm regularly for any signs of wear or damage.
- If you experience any issues with the magwell or your firearm, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Use the magwell only with compatible Glock® models: 17, 22, 34, and 35.
- Do not attempt to modify the magwell or your firearm. Any alterations may compromise safety and performance.
- Ensure that the magwell is properly installed before using your firearm.
- Keep fingers and other objects away from the firearm's action while loading or unloading.
- Always wear appropriate eye and ear protection when handling firearms.

Instructions for Installation and Usage

Installation Steps

1. Ensure that your firearm is unloaded. Check the chamber and magazine well.
2. Gather the following tools included in the package: grip plug, magwell, set screws, and allen wrenches.
3. Remove any existing base pad or accessories from your firearm's magazine well.
4. Align the magwell with the magazine well of your Glock®.
5. Insert the set screws using the provided allen wrench to secure the magwell in place.
6. Install the grip plug to fill any gaps and improve grip comfort.
7. Tighten all screws securely, but do not overtighten to avoid damaging the magwell or firearm.

Usage Guidelines

- To insert a magazine, align it with the magwell and push firmly until it clicks into place.
- Practice magazine changes in a safe environment to become familiar with the feel and operation of the magwell.
- Regularly check the tightness of the set screws during routine firearm maintenance.

Disposal Instructions

- Dispose of the magwell in accordance with local regulations.
- If the product is damaged or no longer usable, do not attempt to repair it. Dispose of it responsibly to prevent environmental harm.

Contact Information for Further Support

For any questions or concerns regarding the Minimalist Magwell for Glock® Gen 3, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Minimalist Magwell for Glock® Gen 3. Thank you for your attention to these important guidelines.
