

MINIMALIST MAGWELL WITHOUT BACKSTRAP FOR GLOCK® GEN 4 - AGENCY ARMS MINIMALIST MAGWELL FOR GLOCK® 17 GEN4, BLACK NO BACKSTRAP

[Handgun Parts](#) > [Frame Parts](#) > [Magazine Wells](#)

MINIMALIST MAGWELL WITHOUT BACKSTRAP FOR GLOCK® GEN 4 Minimalist magwell designed for EDC and CCW use. Machined with a bevel along the sides that aids in shelving the hand up and into the pistol. The magwell aids the user to guide the magazines into the magazine well. Compatible with various base pads (OEM, 10-8 Performance, Vickers, Taran Tactical, Arredondo, and Henning). Includes a grip plug, magwell, set screws and allen wrenches for a quick installation. Safety Instruction Guide for MINIMALIST MAGWELL FOR GLOCK® GEN 4

Introduction

Thank you for choosing the MINIMALIST MAGWELL FOR GLOCK® GEN 4 by AGENCY ARMS. This guide provides essential safety instructions and general guidelines to ensure safe usage of this product. Please read this document carefully before installation or use.

General Safety Guidelines

- Ensure that the magwell is compatible with your Glock model before installation.
- Always handle firearms with care and follow all local laws and regulations regarding their use.
- Keep the magwell and all related components out of reach of children and unauthorized users.
- Regularly inspect the magwell for any signs of wear or damage. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure your firearm is unloaded before installing or adjusting the magwell.
- Avoid using the magwell in adverse conditions (e.g., extreme temperatures, moisture) that could affect its performance.
- Use only compatible base pads as listed in the product description to avoid malfunctions.
- Do not modify the magwell or any of its components, as this may create safety hazards.
- If you experience any issues while using the magwell, discontinue use immediately and seek assistance.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing magwell or grip plug from your Glock.
- Align the new magwell with the magazine well of your Glock.
- Insert the provided set screws into the designated holes in the magwell.
- Use the provided allen wrenches to tighten the screws securely. Do not overtighten.
- Insert the grip plug into the bottom of the magwell.

2. Usage Steps:

- To use the magwell, simply guide the magazine into the magazine well. The bevel design will aid in the alignment.
- Ensure the magazine is fully seated before attempting to fire the firearm.
- Regularly check the stability of the magwell and grip plug during use.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the magwell becomes damaged beyond repair, dispose of it in accordance with local regulations for hazardous materials.

Contact Information for Further Support

For any inquiries or support regarding the MINIMALIST MAGWELL FOR GLOCK® GEN 4, please reach out to the manufacturer or consult the product website for additional resources.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our top priority.
