

PRO MAGWELL FOR GLOCK® FRAMES - ZEV TECHNOLOGIES

PROFESSIONAL MAGWELL FOR G19/G23 FRAME

[Handgun Parts](#) > [Frame Parts](#) > [Magazine Wells](#)

ZEV TechnologiesPRO Magwell 1st-4th Gen Glock® Aluminum 1 piece design finished in a black smooth Anodized includes magwell, screw and wrench. The magwell is slightly flared at the base to be wider than the stock opening, which is ideal for quickly inserting the magazine in the pistol during reloads helping build proper muscle memory for improved consistency and reload time. This ZEV TechnologiesPRO Magwell is a great addition for any shooter looking for an edge with out the bulk flared competition style magwell. The addition of a magwell will help keep the users hand in place while shooting. Generation 4 back straps may need to be modified if used with this product, back straps must have bottom internal tabs trimmed.

PRO MAGWELL FOR GLOCK® FRAMES ZEV TECHNOLOGIES SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the PRO Magwell for Glock® Frames by ZEV Technologies. This product is designed to enhance your shooting experience by providing improved magazine insertion and grip stability. To ensure the safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle firearms and accessories with care and responsibility.
- Ensure that you are familiar with the operation of your Glock® firearm before using the magwell.
- Always keep your firearm pointed in a safe direction.
- Store firearms and accessories in a secure location, away from children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- This magwell is designed for use with Glock® models 19 and 23. Do not attempt to use it with other models.
- Ensure that the magwell is properly installed before use. A poorly installed magwell may cause malfunctions.
- Modify Generation 4 back straps by trimming the bottom internal tabs if used with this product to ensure proper fit.
- Do not attempt to modify the magwell itself, as this may compromise its safety and functionality.
- Always inspect the magwell for damage before each use. If you notice any defects, discontinue use immediately.
- Use only the provided screw and wrench for installation to ensure a secure fit.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove any existing magwell or back strap from your Glock® frame.
- Align the PRO Magwell with the frame, ensuring it fits snugly.
- Use the provided screw to secure the magwell in place, tightening it with the included wrench.
- Check that the magwell is securely attached and does not move or wobble.

2. Usage:

- When reloading, ensure that the magazine is oriented correctly before inserting it into the magwell.
- Practice inserting the magazine to build muscle memory for consistent and efficient reloads.
- Maintain a firm grip on the firearm while using the magwell to ensure stability during shooting.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding aluminum and firearm accessories.
- Do not dispose of the product in regular household waste. Instead, locate a recycling center that accepts aluminum products.
